All items for disposal/pick-up are to be placed at the roadside, clear bagged if possible, if not possible then please somehow bind it.

No tree trunks, limbs or branches. Separate metals from other materials. No regular household garbage, maintain your regular schedule.

No construction materials/building waste. No household cleaners, paint thinners or other household hazardous waste.

There will be a $10.00 U.S. charge for refrigerator/freezer disposal due to freon removal. For safety reasons please remove door or secure closed.
