WHAT DID YOU DO DURING YOUR MARCH BREAK?

From the Akwesasne Mohawk School, Cornwall Island

March Break
I was happy on the March break. I was glad we got out of school. When I got home I went riding. It was fun and I went riding with my friend. We went into his house. We played in the barn. We play in the hay loft. We jumped off the swing. Then we went inside the house. We played ghost games. Then it got boring. It started to get dark and so I left.

My Winter Break
On my break I went home to help my mother in the snack bar. The next day I got my hair cut. Steven's mother cut my hair. Sometimes I lift weights with my uncles girlfriend. When I jump roped I didn't stop until I started to sweat. Once I got my uncle to jumprope with me. Sometimes I played pool with my father. Once in a while I play partners with my father. I went to Lisa's and we played in the barn. When I babysat for my uncle I earned twenty-one dollars.

March Break
Friday I went to my grandfathers for three days. We went hunting and checked his traps in the woods. He brought me home Tuesday. Thursday and Friday I did nothing. Saturday I watched the Smurfs and I fixed my bike and watched movies at our house for the rest of the day. Sunday I rode around on my bike all day. Monday I got up and went to school. Before that I took a shower, got dressed and went to the end of our drive way and got on the bus and went to school so here I am at school the time is 2:38 almost time to go home.

Winter Break
I was riding my bike in the snow. I wiped out when I drove right into a ditch. I didn't know that the ditch was a deep hole. Then I went after Jay-Jay. He is my cousin. We went fishing and we caught four fish. We let them go. Then we carved out swords and they broke as soon as we first started the swords fight. We went to the Jock's and bought some candy, gum and soda. Next we went to spend our money at the restaurant. After we had spend it all on french fries we went home and played pool on the pool table. We quit and played cards instead. I won six games. Jay-Jay won four. Later we went and rode our bikes again. This time he wiped when he hit a hill. When he got up we started laughing and we made a bike track over the hills. There was one hill that was hard to go over we had to climb it.

March Break
I got home from school and watched Tom and Jerry. Then I went outside and played hockey on the pond next to our house. Then after that I went into the woods to make a fort. I gathered some branches but I didn't have any string so I went home to get some. I finished the fort it looked like a log cabin. It was getting dark so I went home and fell asleep on the sofa.

March Break
I just got home from school and we went to my grandmother's house. The next day it was my birthday I got a dart board. After that I went home and played on the ice and fell in. I went home and watched T.V. I fell asleep. I woke up and went outside to get my bike. And rode all day. At night I watched videos I went to my cousin's house and had french fries and pizza.

March Break
On my March break I went to St. Polycarp and bought a new horse. He was grey black and brown mixed. It was not a nice colour but I guess it was O.K. When I ride my other horse Jezabell he always yells to make her nervous and she starts running. I guess he likes to see me fall off. She really doesn't like him. She always chases him around the pasture. I rode her into the woods. Guess what we saw? A litter of baby snow rabbits under the pile of trees. I didn't want to scare them because their mother might be close by. So I just tied Jezabell's bridle to a tree and watched the baby rabbits. They were so cute and fluffy. My mother called me for supper and I get back on Jezabell and went home.

March Break
On my winter break I had fun. But most of the time I had to clean the house. On Sunday, Anthony and his family went to my house. "Oh yeah! I almost forgot, I went to the Brookdale Mall. The reason why is we went to see the animals at the petting zoo. We took our brothers and sisters. My brother got scared of the buffalo. After we left we went to go get movies at Cornwall Video and we went home.
