Sports Day at St. Regis Village School

ST. REGIS — Children from the St. Regis Village School, the Akwesasne Mohawk School and Chenail School participated in a Sports Day on Tuesday, June 11th. The festivities were held at the St. Regis Village School.

The kindergarten classes enjoyed a day filled with track races and balloon races. First graders participated in potato sack races. Second graders had piggy back races. Third graders delighted in competing in three legged races.

Seventh and eighth graders played volleyball and softball games. Pre-K and kindergarten children also had a balloon toss. Children in grades 1, 2 and 3 participated in wheel barrel races. Sixth, seventh and eighth graders participated in high jump competition. The children from the St. Regis and Chenail schools presented a series of dances for everyone. The children did square dances, jigs, the limbo, rock dances and the twist. Children who participated in the Sports Day festivities each received a ribbon.
