On Friday afternoons, the students who have had perfect attendance for the past two weeks, are privileged to watch movies in the gymnasium. By rewarding the students, attendance has improved and tardiness has been practically eliminated. Mr. Mitchell, principal of the St. Regis Mohawk School is encouraged by the students response to the movies. By learning good habits in the primary grades, it sets precedent for student's future grades and success in education.

The Pre-Kindergarten class on Cornwall Island enjoyed a field trip to the Petting Zoo at Brookdale Mall. The class of twenty students enjoyed the chance to see some familiar and exotic animals. They spent a good part of the morning feeding and petting the animals.
