KIDS PAGE CORRECTION

Dear Sir or Madame,
I was trying to do the puzzle in Indian Time, it didn't work. I feel mad, put it right.
Your Friend, Rae Ann Oakes, age 6.

Dear Rae Ann,
Thank you for taking the time to send us your letter and for letting us know the puzzle was not right. Some of the squares were not colored in where no letters should have gone. Our kids' page editor said this won't slip by him again!
