COMMUNITY BUILDING

Here is why you, the good people of Akwesasne, want to keep Harold Tarbell and Hilda Smoke in your government.

They have earned the experience, respect, and contacts needed to get things done.

This is no time for someone to grow into Akwesasne's most demanding job.

It's time to say NO to crime, hatred, and prejudice.

Together we can create the real jobs we all want.

They have the plan that will make Akwesasne a peaceful, law-abiding community.

They have the courage to stand up for what is right.

RE-ELECT THE REAL TARBELL TEAM!
