**Canada Employment Center For Students**

Canada Employment Center for Students makes it easier for students to find summer jobs.

Located at 139 Montreal Road in Cornwall, C.E.C.S. has four student placement officers on staff to help young people fill out applications and identify prospective employers. They also have helpful information on scholarships and government programs, as well as help in filling out required forms. They also keep track of application deadlines for various government agencies who hire students for the summer.

Many private businesses and homeowners contact them with part-time opportunities. Interviews can be held in the C.E.C.S. office and applications for many employers are available there as well.

To encourage more businesses to hire students, next week is designated as "Hire A Student Week." They also sponsor an "Employer Of The Week" award for companies that take on and train students during the summer.

Because many high school guidance offices are closed during the summer, college information is also available for the students.

Students who would like to start a business of their own are also encouraged to stop in. Applications and information are available for acquiring government loans.

Leah Gilmour says the Student Center is looking for more involvement from Native students and employers from Akwesasne. Ms. Gilmour, along with Native intern Terry MacDonald, will be visiting Mohawk businesses during the coming weeks to answer questions and advise owners on programs available to them.

The Canada Employment Center for Students is open weekdays from 8 a.m. to 5 p.m. and is sometimes open on Saturdays. The phone number is 933-4300.

**NOTICE**

The Akwesasne Kateri Committee has made arrangements to charter a Delaney bus for a pilgrimage to Martyr's Church in Midland, Ontario on July 14 and 15, 1990. The bus will leave from the Woolco parking lot at 8:00 a.m. on July 14 and return sometime in the late evening on July 15th.

If you wish to go on this trip, please contact Bernice Lazore at 358-2764 or Elizabeth Francis at 932-6324. You may also leave your name with Agnes Lazore at 575-2396 in the Snye area. A deposit of \$25.00 would be appreciated to hold your reservation and the remainder, if any, to be paid on the day of the trip. The motel will cost approximately \$44.95 per night for a double room, so it might be around \$25.00 per person if you share a room. We need names as soon as possible so we can reserve the motel rooms and start collecting the deposits. There are 40 seats available on the bus so first come, first served.

On the schedule according to Deacon Ron Boyer from Kahnawake, in the early evening of July 14, there will be a healing service conducted by the Ojibwas (The Sayers, Richard, Phyllis, Dominic and their Singing Ministry). On July 15, we are on the program with our dancers for the main celebration mass at 12:00 noon. We hope you can join us. It should be an enjoyable weekend.
