Father Egan and Father Boyle, priest at St. Regis Church, echo the appeal of both the U.S. and Canadian bishops during this holy season: "Come Back Home for Easter." Renewal is all around us as new life springs from Mother Earth. It is a reminder from God, our Creator; to all His human creatures that through the saving work of Jesus, His Son, they may start an inner renewal at any time, renewal which will lead them to their eternal goal. "Now is the acceptable time," St. Paul reminds us. In the words of Psalm 95: "Today, if you hear His voice, harden not your hearts."
