 There are more games on the regular season schedule. The playoffs start on Thursday July 16.  
 On June 25-28 the Old Sticks are heading out West to Vernon British Columbia to play in the Masters Tournament.  
 This year in an effort to keep the game at a fast pace, penalties will not be given. Instead one on one penalty shots will be the format. The player who was on the receiving end of the infraction will get to shoot on goal.  
 Also, over the course of the season, a 150 H.P. boat will be raffled off. This is to help defray the cost of the trip to British Columbia.

## Thunder Ceremony April 26

The traditional Mohawk community of Akwasne will gather together April 26 to celebrate the return of the Thunders to our territory.

Far from being fearful of the Thunders of Mohawks, we're glad to have them return after being away for the winter months.

The Thunders give power to the Mohawk Earth so she can receive the seeds of the planting time. They also protect the people moving about from harmful creatures dwelling deep in the earth.

The Mohawks of Akwasne tell of a time when one of our young women married and had a child by a Thunder man. For this reason the Mohawk people have a special feeling for our relatives in the sky.

All Mohawks are invited to join together to return thanks to the sky dwellers at the longhouse beginning early on the morning of April 26.

## To The Staff of CKON

Another year of BINGO and another year of success on the way.

Keep the balls rolling, phone lines ringing and faces smiling.

The Staff of Indian Time wishes you the best of luck and great success.
