

Kid's Page

To discover the names of these native American animals match them to their shadow.

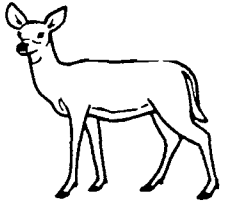

American Animals

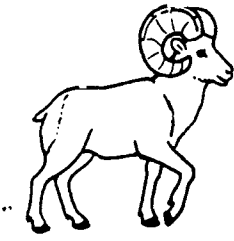

Bighorn sheep

Whitetail deer

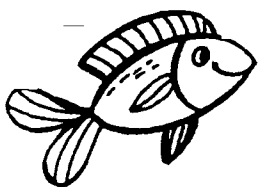

Mountain goat

Pronghorn antelope

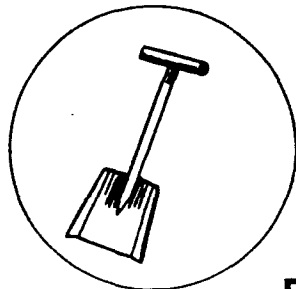

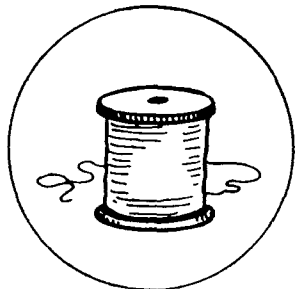

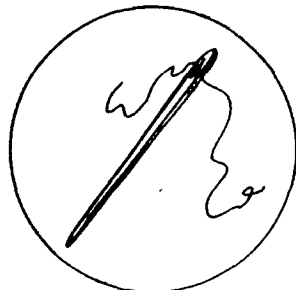

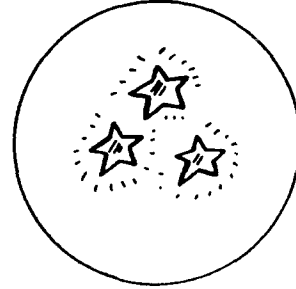

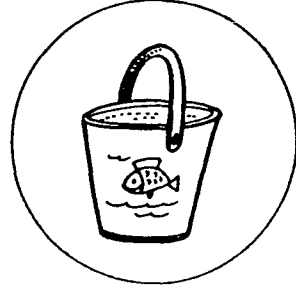

Butterfly Twins

Can you find a butterfly below that looks exactly like the butterfly in the circle? Find the butterfly twin and color it red!

Things That Go Together

Match up the pictures that go together by drawing a line from one to the other.

DO YOU LOVE ANIMALS? DO YOU RESPECT OUR EARTH? THEN THESE FACTS AND TIPS ARE FOR YOU!!!

FACT: AMERICANS PRODUCE 54.8 MILLION POUNDS OF TRASH EACH DAY.

TIP: WHEN YOU LOOK AT GARBAGE THINK OF IT AS A DEADLY TRAP FOR OUR ANIMAL FRIENDS.

FACT: EVERY YEAR MILLIONS OF OUR ANIMAL FRIENDS ARE BADLY HURT OR KILLED BY OUR GARBAGE. THIS HAPPENS WHEN THEY PUT THEIR HEADS INTO FOOD CONTAINERS TO GET AT THE FOOD INSIDE. THEY GET STUCK AND CAN CUT THEMSELVES, SUFFOCATE OR SWALLOW PIECES OF PLASTIC WHICH THEY CANNOT DIGEST.

TIP: RECYCLE! PAPER, ALUMINUM, PLASTIC, AND GLASS CAN BE RECYCLED.

TIP: RINSE OUT JARS AND OTHER CONTAINERS THAT ANIMALS CAN GET TRAPPED IN. IF THERE ISN'T ANY FOOD IN IT, THEY WON'T TOUCH IT. SNIP APART PLASTIC SIX-PACK RINGS BEFORE YOU THROW THEM OUT.

FACT: THE U.S. OFFICE OF TECHNOLOGY ASSESSMENT REPORTS THAT THE MORE THAN 20 MILLION TONS OF PLASTIC POLLUTION PRODUCED EACH YEAR POSE A GREATER THREAT TO MARINE MAMMALS AND BIRDS THAN PESTICIDES, OIL SPILLS, AND CONTAMINATED

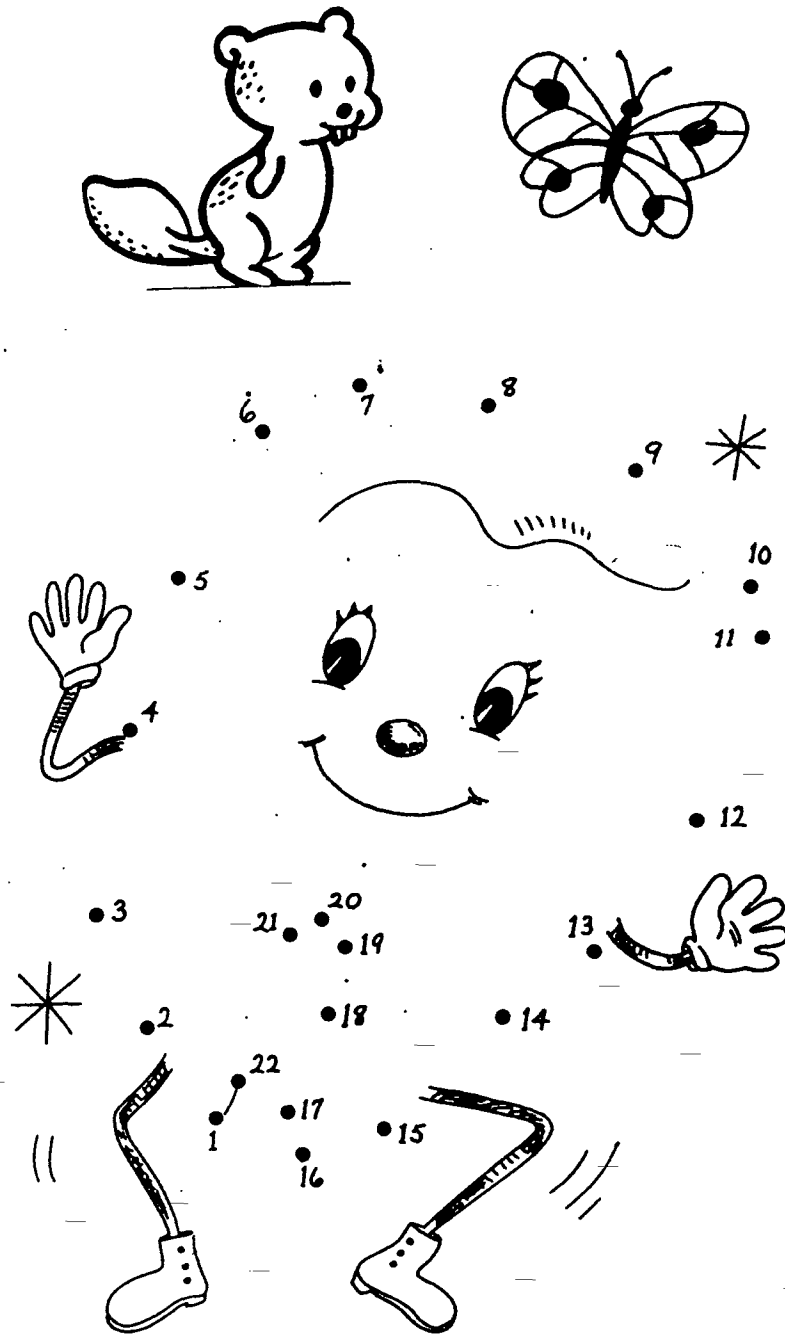

TIP: PICK UP SHING, FISHING LINE AND PLASTIC LITTER NEAR RIVERS, STREAMS AND BEACHES.

TIP: DON'T LITTER! PUT TRASH IN THE RIGHT PLACE. ENCOURAGE YOUR FRIENDS, FAMILY AND OTHERS TO DO THE SAME. IF YOU DON'T WANT A PLASTIC BAG OR OTHER TRASH, JUST HOLD ON TO IT UNTIL YOU GET TO A GARBAGE CAN.

FACT: PLASTIC SIX-PACK RINGS TAKE 450 YEARS TO DEGRADE. BIRDS WHO DIVE INTO THE WATER TO CATCH FISH SOMETIMES DIVE INTO THE PLASTIC RINGS AND GET STRANGLED BY THEM.

TIP: IF WE ALL PITCH IN, TOGETHER WE CAN MAKE A DIFFERENCE FOR OUR EARTH AND OUR ANIMAL FRIENDS!!!!!!
