

Tribe Hosts Self-Esteem Workshop

Would you like your child to possess the ability to be successful in life?

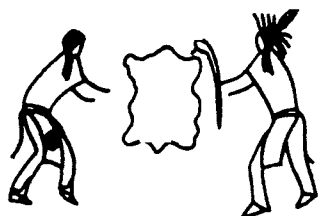

The Saint Regis Mohawk Tribe is hosting a self-esteem workshop entitled "Project Self" on Saturday, May 30 from 1:00 p.m. to 3:00 p.m. The workshop will be held at the old credit union building on Route 37 and is being offered, at no cost, to boys and girls between the ages of 11 and 15.

"Self-esteem is self-confidence, self-worth, and self-respect. It is a state of mind. It is the way you feel and think about yourself and others", states Connie D. Palladino, Ph.D. and author of a book entitled "Developing Self-Esteem."

One of the greatest gifts a parent can give a child is a strong sense of self-esteem. Only with an elevated sense of self-esteem can a child truly achieve his/her own potential. This is apparent when an "I can do it" attitude replaced the "I can't do it" attitude. Just think of the things a child can do with a high sense of self-esteem...from getting an "A" in school to winning that 100 yard dash to learning to do a household chore!

The workshop will be presented by Miss Bonnie Bradley, Indian Child Welfare Coordinator. Miss Bradley is a graduate of Potsdam State University where she received a Bachelor of Arts Degree in Psychology.

A number of "fun" activities are planned for this workshop that will stress cooperation, academic behavior and positive self-talk - all very important elements to a high sense of self-esteem

Mohawk Council of Akwesasne to Host Akwesasne Recreation Symposium

The Mohawk Council of Akwesasne is presently planning to host a community wide meeting/workshop to discuss Akwesasne's recreation programs and issues. The Akwesasne Recreation Symposium is being designed as a forum for community members to discuss what is good and bad about current programming and to suggest changes or new programs and activities for the future. Recreation leaders, organizers, volunteers, sponsors and program participants of all ages and sectors of the community will be invited to participate in the Symposium.

The Akwesasne Recreation Symposium is scheduled to take place **FRIDAY, JUNE 19, 1992** at the Akwesasne Mohawk School Gymnasium on Kawehnoke.

Symposium Rationale and Objectives

In the area of Recreation programming in Akwesasne, there is a need to recapture the true Mohawk spirit and also promote long time traditional activities such as lacrosse. It is also important to remember that Recreation is not limited to just sports activities and that the definition of recreation includes any form of activity which a person or groups of people use to pass their leisure time.

Akwesasne's Recreation programming must attempt to meet all of the community's recreational needs by incorporating the historic and cultural types of activities (eg. basketmaking, beadwork, traditional dancing, etc.) along with current modern sports activities (eg. baseball, hockey, bowling, golf, etc.) The programming should also allow for both native (eg. lacrosse, etc.) and non-native forms of recreation and ensure that non-sporting types

of activities and events (eg. music, theater, performing arts, etc.) have a place in recreation. At present, the current recreation programming seems to be very strongly centered on sports activities and, perhaps, not enough on other forms of recreation.

The Symposium participants will be asked to comment on and discuss such issues as:

- Are the Recreation activities now being conducted adequate and appropriate? (What do you like and what you don't you like?)

- What should the priorities be for recreation programming?

- What facilities are needed most?

- How do we improve recreation in Akwesasne?

Some of the specific topics which could be discussed include:

- new recreational activities;

- organizational issues;

- adequacy of leadership in recreation activities;

- training and education in recreation;

- communications and publicity;

- funding;

- facilities;

- volunteer;

- parental guidance and involvement

- role models

The Organizing Committee would welcome any suggestions for the Symposium and are looking for volunteers to help with staging this event. If you are interested in getting involved in the Symposium or have any questions about it, you should contact either Chief Johanne Jackson or Lewis Morris at the M.C.A. Admin. II Building in St. Regis or phone 575-2348.

Note of Thanks!

Thanks to all the people who sponsored players in our recent Bowl-A-Thon which took place on Sunday, May 3, at Bowlmor Lanes in Massena. We had a great time bowling, we are hoping to do a lot better on the playing field then we did at the bowling alley. We would like to give special thanks to our Snye Elders who gave our team a big boost that helped us get started. We would also like to thank our sponsors John Ransom of Mohawk Video. Once again Niawen for all your support.

From: Mohawk Video (Snye) Women's Softball Team

DANCE CANCELED

The St. Regis Drug and Alcohol Division would like to announce that the dance which was to be held on June 13, 1992 at the Angus Mitchell Memorial Center is canceled. Sorry for the inconvenience.

CKON Bingo Notice

Because of the warmer weather, CKON will be having their radio bingo every two weeks.

This may change depending on response of community to either once a month or back to weekly. Please participate and keep it all summer long. This schedule will not change without notice.

Training for Individuals

Ernie G. Tannis, Honorary Counsel for Sken nen kowa, would like to offer his expertise to train 5-12 individuals in the area of Justice. In particular, the aspect of Corporations. There is no cost for this service.

If anyone is interested or would like further information, they should contact the Sken nen kowa office at (518) 358-3097.

Contact: Vera Arajs Vice-Chairperson 116 Sydney Street Cornwall, Ontario K6H 3H2 Tel.: 932-3971 or Dr. Raymond Legault, Chairperson R.H.S.J. Health Center Cornwall, Ontario K6H 5S5 Tel.: 938-4940

Leader Training

New Games Leader Training will be offered on June 5, 1992, at the Lussi Rink in Lake Placid. Cheryl Jonas, Statewide Coordinator for Recreation Services for the New York State Division for Youth will be the trainer. Cheryl has been doing New Games workshops for ten years and says that New Games are fun for everyone and offer much flexibility to incorporate the needs of any group including children, senior citizens, and the handicapped. New Games can serve multiple functions from facilitating communication to team cooperation in a fun atmosphere.

The North Country Council on alcoholism is sponsoring this training as a Safe Summer activity and encourages anyone who is responsible for leading group recreation to register by May 29, 1992. The fee is \$10 for the training. For more information call 518-873-3261.
