Child Care in Your Home

You now have the opportunity to work in your own home, be your own boss, earn a good salary, and provide a much needed community service. As a private home child care provider, you can earn up to \$14.50 a day per child, or \$362.50 per week. You are also eligible to receive annual salary enhancement grants of up to \$1000. The service you provide will care for 1 to 5 children, from the ages of newborn through 12 on a full or part time basis. You can decide how many children you want to care for, and what days and hours suit you and the parents best.

No special qualifications are necessary, but you must be over age 18. You should be willing to care for children in your own home; and work with the parents needing your service, and in partnership with the Akwesasne Child Care Program. Once a service agreement is reached, you will receive many of the benefits of a licensed agency supported program. This includes training in your own home and in groups with other providers, receiving toys, playpens, and other furnishings as necessary to fully equip your home for this service. Free consultation and advice is also available, along with placement assistance, educational materials and manuals, and the enjoyment of being self-employed. If you would like to share in the benefits of being self-employed and work in your own home, contact the Akwesasne Child Care Program, 575-2377.

Iakhihsothha and Food

As community initiative, the Iakhihsothha Home for the Elderly represents the pride and respect that we the people of Akwesasne have for Elders.

The Dietary Department of Iakhihsothha provides creative Nutrition Care Services to all residents according to their needs. It ensures that meals served are palatable, attractive, culturally appropriate and reflect the traditions and customs of the Mohawk people.

Our Dietary Department consists of four cooks and one dietitian. Together alongside other departments, activities are planned such as family picnics and buffets, formal dinners and brunch, as well as nutrition month activities, a strawberry festival and special holiday meals. We also involve residents once a month to plan a meal and welcome their suggestions for special occasion meals. In addition new recipes are continually integrated into the 5-week cycle menu.

This past Wednesday we celebrated Iakhihsothhas Western day with lots of entertainment. Barbecued Pork on a bun was served with macaroni salad and home made Pumpkin pie.

In conclusion we would like to take the opportunity to thank those in the community for their food donations. Any concerns families of residents may have in terms of nutrition care can be addressed to Helen at 575-2507.
