### National American Indian Science Fair Winners

Twelve Akwesasne Mohawk School students, Grades 6 through 8, journeyed to Milwaukee, Wisconsin for the National Science Fair and came home with a trophy, gold medals and awards. Two projects were selected to be first place winners. *Cont'd on Pg. 4, See SCIENCE*

### Local Elder Achieves National Aboriginal Achievement Award

A.M.B.E. students of the National Science Fair held in Milwaukee, Wisconsin.

### Annual Fireman's Fish Fry Big Success

The Second Annual Fireman's Walleye Dinner was a huge success and enjoyed by all. Pictured above are Dick Laffin & "Bum Terrance (the "Chefs"), preparing fish.

We the members of the H.A.V.F.D. Station #3 would like to thank the community and the general public for their endless support. I would also like to thank the firemen who readied the station house to put this years feed on, and who fillet the two thousand pounds of wall-eye, which was no small task. Without the manpower for the week long work

detail this years fish feed would not have been a large success. Thank you to Cindy, Vicky, Joan, Lori Ann, Connie, Linda, Isabell, Erin and Marvin who worked hour after hour Saturday cutting and dicing vegetables and to Lynn, Mary, Ann, Edith, Debbie, Lindsay, Winnifred, Rosalie, Barbara, and Sesi who helped these women put the salads together and

serve on Sunday. I would like to thank these people for their donations: Felicia Jacobs, Lee Ann Jock-salads, Madeline David-Bread, Theresa Square-home made pickles, Sara Mitchell-cup cakes, Fabian Hart-cash, Minnie Leaf-cash, Ivan Ransom-cash, and also to Joe Francis for the deer antler carving which was raffled. *Cont'd on Pg. 4, See FISH FRY*

Ernest Benedict honored in Vancouver, British Columbia.

Ernest Benedict holds the crystal trophy that was presented to each of the 14 Native people who were selected to receive this years National Aboriginal Achievement award in Vancouver, British Columbia. The event was an incredible gala with Native Entertainers such as Susan Aglukark, Buffy Ste-Marie, Willie Dunn, Tom Jackson and other performers. The famous conductor, Mohawk John Kim Bell lead the orchestra for the extravaganza. The show, which was taped for broadcast, will air on April 6th on Canadian T.V., probably Channel 4 in our area. Congratulations Ernie, on this well deserved honor.
