## Mater Dei Offers Flexible Summer Session Schedule

Mater Dei College has developed a schedule for its summer session courses designed to help busy people take the classes they need for career growth or personal development.

Many of the classes offered in this year's summer session are offered in the late afternoon or evenings. Several are offered on weekends, making it easier for people to juggle course work and family schedules.

Summer session is being run in three distinct patterns: some courses run for six weeks, some more intensively over a three-week period, and others

run on weekends beginning Friday evening.

The six-week courses will run from May 15 to June 24. Three-week sessions will run May 15 to June 2 and June 5 to June 23. Each weekend course will be held May 19 to 21, June 2 to 4, and June 16 to 18.

For more information and a complete summer session schedule, contact the Office of the Registrar at (315) 393-5930, extension 426. Classes are available at the college's main campus in Ogdensburg, its extension site in Massena, and its branch campus on the St. Regis Mohawk Reservation.

28 February 1995

Dear Editor:

It is with pleasure and honor, that I send you a copy of a letter to me from Mr. Winston S. Churchill, Grandson of British Prime Minister, Sir Winston S. Churchill.

In inquired into a story that I heard, and wrote to Mr. Winston S. Churchill, MP in the Parliament at Westminster, London, England.

To my mind it should be a source of pride for the North American Indians, to count among their people such an illustrious name as Sir Winston S. Churchill.

Very sincerely yours,  
Kenneth T. Tellis

Dear Mr. Tellis,

Very many thanks for your recent letter and photographs, which I am delighted to have.

I can confirm that my Grandfather - and therefore I - do indeed have Iroquois blood, of which I am inordinately proud. As regards your other query, I have no means of knowing the truth or otherwise of the claim.

With best wishes,

Sincerely,

Winston S. Churchill
