## Dear Community Members:

As we anxiously wait for summer to begin, the Youth Gathering Committee is already making plans for the sixth annual Summer Youth Camp.

Every year we fundraise in our community with activities and the community comes through with their financial support. We realize that there is also some major fundraising happening on behalf of the Indigenous Games, however, fifty of our younger youth look forward to this camp each year. We hope that you will find this a worthy cause to lend your financial support.

We have started to organize some activities for fundraising and we hope that when you see an activity, you will support us. The total amount that we need to raise is \$5,000.00

If you have any further questions regarding our Youth Camp, please do not hesitate to call.

Sincerely,

Carolyn J. Francis and Leona Barnes,
