## Akwesasne Screaming Eagles Hold Walk-A-Thon

On Saturday, April 8th, the Akwesasne Screaming Eagles Volleyball Team held a walk-a-Thon at the Cornwall Civic Complex. Due to the Home and Garden Show and Craft Show we were forced to walk elsewhere. Since everyone was primed and ready to go we decided to

walk outside on the bike path. The weather was quite chilly but the scenery was much nicer.

The walk-a-thon was a huge success. A special thank you goes out to some of the teams aunts, cousins and grandmothers who also gathered sponsors and walked with us.

Missing from the picture above, but who did participate are, Eugene David, Cathy Mitchell, Minnie Lazore and Jeannine Lazore.

Thank you to everyone for their support of this hard working volleyball team and to all who sponsored the walkers.

## Screaming Eagles Hold Pancake Breakfast

A Pancake Breakfast was held on Easter Sunday, April 16th at the Snye Fire Station. The breakfast was a fundraiser for the Screaming Eagles Volleyball Team.

The girls would like to thank their families for donating the food and to the parents and grandmothers who assisted in the preparation and cooking.

As with our past

fundraisers, the families support has made this another successful fundraiser.

A big thank you also goes out to Station #3 for allowing us the use of their equipment and station.

Thank you to all our families and coaches for their continued support!!

**\*Special Note: The Screaming Eagles recently held tryouts**

again for 2 more positions on the team. The team would like to welcome Lacey Francis and Arlene Thomas to the team. With their skills and determination they will be a great asset to our team. Although we're only 12, 13 & 14, we are a team to reckon with and nobody should take us lightly!.

## Akwesasne Youths Played in Dominion Ladies Hockey

Three young Kanienkehaka ladies played in the Dominion Ladies Hockey Tournament on Easter Weekend. Billed as the largest womens hockey tournament in North America, it was host to over 302 teams from Canada and the United States.

Nikaiataah Skidders (daughter of Margie and Brian Skidders), Erin Seymour (daughter of Ruth and Sherwin Seymour), and Brittany Benedict (daughter of Barb and Benny Benedict) are members of the Cornwall Typhoons Atom "B" Travelling hockey team. With 16 teams registered in the Atom "B" division the Cornwall Typhoons placed third overall. The team is coached by Rod Macleod, and Brian Tardiff and managed by Theresa Wright.

In exciting hockey action they beat out Hamilton, Peterborough,

and Wisconsin. In tough, but close games, they lost to Mississauga and Assabet Massachusetts. Skidders and Seymour played "hard to get by" defense. Skidders fired in two goals from the blue line. Seymour, always knowing where to take advantage, came away with two assists. Benedict played a strong and reliable center, walking away this season with 4 "MVP" awards.

Only twelve years old, the girls have been playing for 6 years. The three girls have put in countless hours playing and practicing. They played over 90 regular and tournament games for this season. Entered in 4 Atom "B" tournaments, they placed second in each, always losing in overtime by one goal. The team never gave up on the elusive first place, they always played their best and represented Akwesasne in a most respected manner. Congratulations!
