Race Cars Take Over the Mall

MASSENA, NY - By: J.D.

The St. Lawrence Center Mall played host, April 19-23, to many of the race cars that will compete this year at the Frogtown International Speedway.

The mall show cased a wide array of stock cars that will vie for the right to be called #1 this season at the track.

Akwesasne was well represented with track favorites Billy King, Roy Tarbell, Brian Herne, Tom Jock Jr., Kyle Jacobs and Craig Delormier in the modified division. The

street stocks had Jr. David in the Novice and Cory Tarbell, Rick Oakes and Owen Herne in the Expert Class.

The Expert Class has a newer and sportier look that will raise interest from the fans this year.

The full stock body on this class makes them look like a Nascar, racing on dirt.

A lot of shoppers and fans stated that it was too bad they have to race these beautiful machines. Others had a chance to sit in the stock cars with permission from the owners.

Children were making "Varoom" sounds and pretending to be driving them.

The Speedway had an information booth giving out racing schedules and showing taped races from last year.

The race season is almost here with opening day at Frogtown on Sunday, April 30th at 2:00 pm. It should be a fun day so be there.

P.S. A rumor has been circulating around that the O'Brien Brothers, Danny & Pat, might make Frogtown their home track this season.

dinner was served all day and from reports the dinner was delicious. There were raffles throughout the day with the prizes donated by Hilda King, Marsh Peters and the Sweetgrass Gallery.

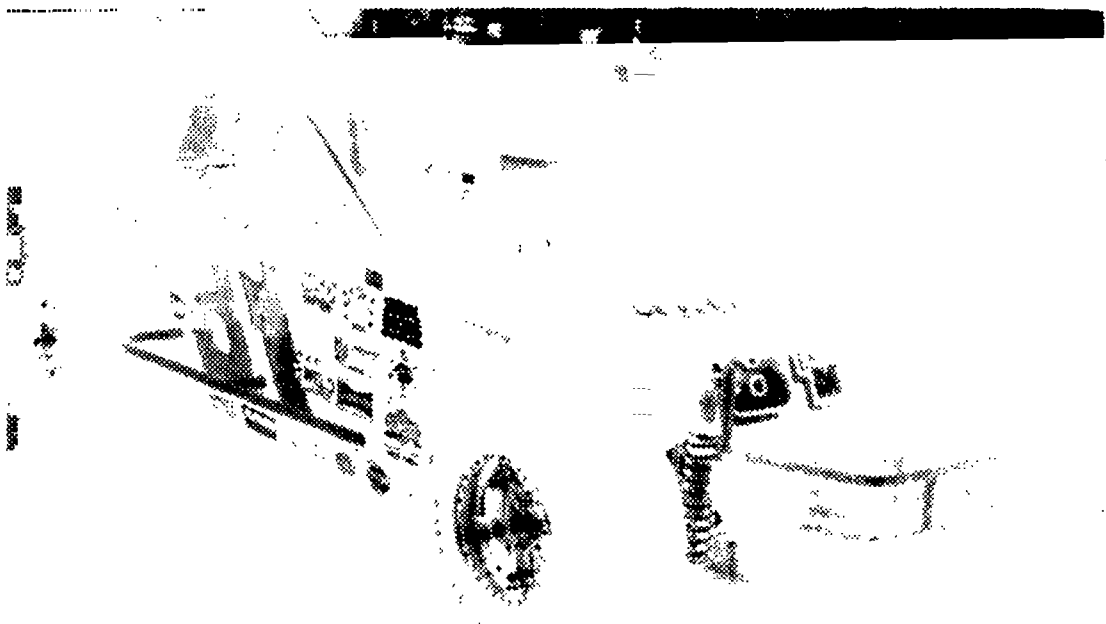

The end of the day came all too quickly and the winners of the tournament was decided in an exciting playoff game. The team of JoAnn Swamp, Betty Nanticoke, Ron Swamp, Kevin Nanticoke and Roy Swamp won the tournament.

The winning team did not receive money but rather had the choice of selecting gifts donated by area businesses. The winning team selected their gifts from such items as baskets, life vests and gift certificates. The businesses

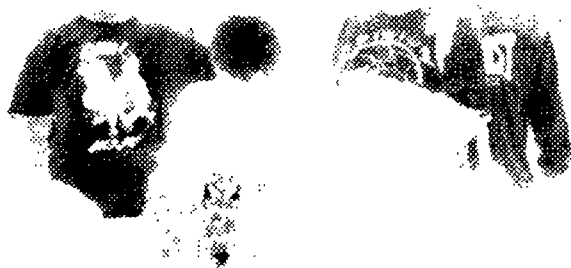

fundraising event were:
Wolf Pack Gift Shop
Smith's Lumber
Mohawk Plumbing
Sweetgrass Gallery
Whispering Winds Store
Atomic Place
Baiah's Muffler and Brake and Jarrod's Restaurant.
 There were also individuals who donated:

April Iazore
Quinn Benedict and Lorraine & Dan Bero.

The fundraiser was a success and \$1,200.00 was raised. The Kateri Fundraising Committee attributes their success to the generosity of the helpers, players, donors and the community. The next fundraiser is in the planning stages and will be another successful event.
