Akwesasne Child Care Program

The Akwesasne Child Care Program, is recruiting supply staff for the 3 Child Care Centers.

If you can form positive relationships with children ages 18 months to four and a half years; appreciate the differences and sensitivities of each child; comfortably interact with parents and work as a team member with other staff we may require your services from time to time.

You must be willing to: obtain a criminal reference check, attend several training sessions, be available to all 3 centers.

Interested persons may contact **Lois Terrance** at 575-1161 for more information.
