WHAT IF YOUR CHILD NEVER PLAYED BEFORE

No previous experience is required to sign up and enjoy the game. Come out and give it a try! Every year a number of Peanut, Tyke, Novice and PeeWee aged individuals are playing lacrosse for the first time. They find it fast, exciting and an excellent conditioning sport.

EQUIPMENT

Non-goal tenders must supply their own equipment which consists of:

- * Helmet with cage and working straps (no spider cage)
- * Gloves (either lacrosse or hockey)
- * Stick
- * Arm pads (hockey shoulder pads with elbow pads and extra arm padding will do)
- * Back/kidney pads
- * Shorts and running shoes

Goalies will be supplied with:

- * Stick
- * Arm/chest protector
- * Neck and leg guards
- * Hockey pants (if available)

.....by the Akwesasne Minor Lacrosse Association, but must provide their own helmet and gloves (no field lacrosse helmets).

Players have the option of using either a plastic or wooden stick during practices and games.

TO PARENTS/GUARDIANS

Volunteers are extremely important to our organization. Without volunteers, we can not have a successful league. All parents and guardians are encouraged to get involved with the association in any area of fundraising, telephone calling, concession, transportation, coaching, refereeing, etc. We need your help in every way possible.
