THE HUALAPAI BILINGUAL ACADEMIC EXCELLENCE PROGRAM: BLENDING TRADITION and TECHNOLOGY

THE HUALAPAI BILINGUAL ACADEMIC EXCELLENCE PROGRAM BELIEVES THAT: Taking the linguistic background of a student as a starting point, oral language development occurs (New Concurrent) concurrently in English and Hualapai. Learning in the Hualapai language and about the Hualapai culture enhances self-confidence and improves the English language.

YOU DESERVE A COLD ONE.

Set a new example. Let your kids know the reward for hard work comes in lots of different cans.

Make the choice to make a change.
