

*My grandfather walked this land,
my father also walked this land, me I like to stroll.*

People like Jonathan Windy Boy who are neighbors and friends will be coming around to ask for a small amount of your time. The investment of time to participate in Census 2000 means that the voice of our American Indian communities, our ancestors and generations of Indian people to come will be heard. If we do not participate, we may not receive the services and programs we need. In the circle of life, we speak not only for ourselves, but for all our Indian people.
