Mrs. Truesdell who has been visiting her sister Mrs. N. W. Jefferson for some time, returned to her home at Cray Mills Wednesday last week.

A Special Town Meeting called on Tuesday of last week for the purpose of legally accepting the proposition extended the taxpayers of this town for a public library to be furnished and equipped throughout by one of its former residents, the Hon. A. Barton Hepburn of New York, was unanimous

ly accepted and for which we as citizens may feel justly proud of and most truly appreciate this magnificent and generous offer. We truly feel that the good things are coming although slow but sure.

Mr. Cassius Griffin, an old and esteemed resident of this community, died at his home here on Saturday, March 9, at the age of 70 years, and was buried on Monday a. m., Rev. I. O. Smith of the M. E. Church officiating.

Mr. Griffin was one of the prosperous farmers living near this village on the Potsdam road and had recently disposed of his farm, buying a home in this village and retiring from his life of activity on account of poor health. He was a man of broad nature and kindly disposition among his neighbors and fellow men. A member of Warren White Post G. A. R. and is but one more taken from the ranks of that grand old body of veterans whose ranks are thinning fast. Twice married his first wife Abbie Pearson, died many years ago, leaving him one son, Leslie Griffin, who with his present wife and an aged sister in Wyoming survive him. Much sympathy is extended his aged companion left alone in her feeble health. A grand-daughter of Mrs. Griffin's Mrs. Moore of Canton lovingly assisted in caring for him during his last illness. He was laid to rest on their family plot in Canton cemetery.

The return dance last Friday was enjoyable but only a small crowd. The music was good, Walter Hazen piano and George Smith drum. How the mistake in regard to the music in the last week's Courier and Freeman could have occurred we are at a loss to understand. We wrote "Two pieces of Apollo orchestra," it was printed "seven pieces," and as each place knows the number of members contained in its different orchestras we have thought it might be a joke, but seems poor pay for a correspondent who endeavors to correctly place before the public notices left with them.

The Fortites have a musical treat to look forward to. On April 9, 1912, the Potsdam Normal High School male quartet under the leadership of Prof. Tunncliffe will give a concert in Fraternity hall. Miss Gremore will accompany them and give some of her delightful readings, also Miss Marion Wright, violinist. Admission, children 10c, reserved seats 25c, general 20c. ### The Final Word Concerning This All Important Sale

The above quotations are representative of hundreds more equally as tempting and sensational, which space will not permit us to mention. These were inserted herein merely as examples of the radical Assignee Sale price reductions that will prevail throughout the Store during this, the greatest of all money-raising sales. Never in the history of Northern New York have you had the opportunity to buy clean, high grade, desirable merchandise at such unheard-of/low prices. Thrifty people are quick to take advantage of a price-lowering movement of this character, so don't delay. Plan to be here the first day of the sale—Saturday, March 16th. Everything must and will be sold without reserve. Remember the day, date and place. In many instances you will be able to buy goods at practically your own prices. Every reduction is bonafide; every comparative price quotation genuine. Vouched for by A. A. D'APRIX, Sales Manager.
