

WEDNESDAY, FEB. 5, 1913.

Mrs. Whitaker of Norfolk is the guest of her sister Mrs. R. J. Sanford. Mrs. C. H. Sisson has been spending a week in Tupper Lake. Miss Irene Winters spent Sunday at her home in Bangor. Mrs. Chas. Bliss of Vermont is the guest of Mr. and Mrs. Albert Quiby. Miss Anna Turner of the P. N. S. spent Sunday at her home in Malone. Mrs. C. A. Reynolds and Mrs. Wm. O'Brien entertained a large party last evening. Mrs. J. P. Bonney entertained four tables at bridge Saturday afternoon. The new tuberculosis film entitled "Hope" will be shown at Joyland on Thursday night. Mr. Howard Wilson of Dolgeville is visiting his mother Mrs. Alberta Wilson. Mrs. J. P. Brooks left yesterday for a month's stay at her home in Lexington, Ky. Mr. Roscoe Wilson, who has been in Detroit the past year, has returned to Potsdam for a few weeks stay. Mrs. Josephine Redway Bush fell in Canajoharie last week and broke her ankle. Mrs. S. A. Redway left for there Sunday. Mr. F. W. Moore and Mr. E. A. Everett have been spending a week in lower Canada looking over some timber lands. Dr. J. M. Thompson of the Normal spoke on the "Economic Value of Education" at the Farmers' Institute held at Canton last week. Miss Dessalee Ryan, a former member of the Normal Faculty, was visiting in town last week. Miss Ryan is now located at Grand Rapids, Mich. Mrs. Allen Miller and children are being entertained by many of her old friends in Lyons. They will also visit relatives and friends in Syracuse before returning. Dr. D. B. Thompson, of Syracuse University, who will speak in the Opera House on Sunday evening next, will occupy the pulpit of the Methodist Church in the morning. A real treat is in store for all who go to hear him. Mr. Alex. Hitter was taken to Ogdensburg Sunday for an operation for appendicitis. Dr. Baldwin went over with him. The operation was successfully performed and his recovery is expected. Anchor ice is so thick that the Municipal Light plant is unable to run, and the streets are pretty dark in consequence. It would be better if those having porch lights would keep them turned on when the street lights are off. Miss Emma J. Fuller sailed from San Francisco Jan. 31, for a tour to Honolulu, Japan, China and the Philippines. The party will be at the Oriental Palace Hotel, Yokohama, Japan, until Feb. 28, and at the Alexander Young Hotel, Honolulu, until March 21, returning to San Francisco March 31. Mr. George H. Wellings has rented the Foster farm. Mr. Wellings has been a student at the Agricultural College of St. Lawrence University and had seen years experience under his father and is a very practical farmer and comes very highly recommended by reliable men. Mr. A. A. Fifield installed the officers of Madrid Grange last Saturday afternoon. A beautiful dinner with excellent toasts was enjoyed and a fine literary program by members of the grange was given. The installation of a nice pair of driving wheels was presented to Mr. Fifield which were thankfully received. Madrid Grange is up-to-date and the members are loyal and earnest in the good work. Mrs. Fifield attended the installation with her husband. A merry party left on the early train Monday for the 40th annual session of the State Grange to be held at Buffalo. The party consisted of Mr. and Mrs. A. M. Wheeler, Mr. and Mrs. A. A. Fifield, Mr. and Mrs. Nat Sheets of Potsdam, Mr. and Mrs. D. Roach of Cray Mills, Mr. and Mrs. H. Sweet of Madrid, Mr. and Mrs. George A. Clark of Norfolk. They had a special car and will be joined along the way by delegates from several towns between here and Buffalo. The marriage of Wilmer L. Severance at present director of physical culture in the East Syracuse High School to Miss Hazel Runions of Canton, which was solemnized Friday at the latter place, comes as considerable of a surprise to the bridegroom's many friends in this village. Mr. Severance was very well known in Potsdam having attended the Normal School here and played on the famous Normal basketball five of 1904-5, leaving here to enter Wesleyan University. The ground had plenty of opportunity to see his shadow Sunday, which means six weeks more of winter if the old theory is true. Nevertheless there have been signs of spring all winter, violets blowing, lilacs budding, etc. The latest sign of something was discovered Friday by Mrs. Frank Brink, who found a little green frog hopping along the Stockholm road as gaily as though it was April. However it probably won't be safe to give away the snow shovel or let the furnace fire go out for some time yet. A recent issue of Collins contains an interesting article on Rev. Francis E. Higgins, who will preach in Presbyterian Church here next Sunday. Mr. Higgins started in as "Sky Pilot" to the lumber camps of Northern Minnesota, and in the strenuous and vicious life of camp and gambling joint and saloon he made good and achieved something real and worth while. Three times rejected for the ministry by the Presbytery of Duluth, his work finally brought him recognition, and he was sent for and ordained. Today he is Superintendent of Missions, with 14 evangelists under him, doing a splendid work in the West. Rev. Higgins has been spending a month in the Adirondacks, and will spend Sunday in Potsdam.

Born to Mr. and Mrs. Carroll Hayden Jan. 27, 1913, daughter. Miss Knille Wadleigh has been confined to the house a number of weeks with the grip. Dr. W. E. Collins, O. D., the eye-sight specialist, and son visited Norfolk Friday. Miss Margaret Wells visited her friends in Canton Friday and Saturday, and attended a swell ball given by the Citizens Club Friday evening. Mrs. Robert Kerr fell hitting her left knee on the stone walk and has for the past two weeks been confined to the house. Mr. Herbert Bicknell is at home after a three weeks business trip to Chicago. Mrs. Bicknell spent a few weeks with her people at Kingston, Ont. The Elm and Chestnut Street Birthday Club was entertained by Mrs. George Anstead last Wednesday eve. Mrs. Frank Petrie was the invited guest and all report a delightful time. Mr. Reeo who has bought the Wadleigh house on Pine St. welcomed a brother from Montreal the past week for a visit. He was charmed with Potsdam. Quite a number from Potsdam and vicinity attended the corn show and Dairy Week at Canton and the meetings were interesting and profitable. Harry Emery returned to his home on the Hopkinton road last week Saturday having spent a delightful week in Plattsburg and other places of interest in Clinton county. Mrs. Ann Hurley had a lamp explode about a week ago smoking the house so that every room had to be repapered. The insurance company represented by Mr. S. A. Redway took charge. In another column will be found the announcement of the auction sale of the old Fireman's Hall which will take place at the hall next Monday afternoon at 2 o'clock. Work on the new Hall will begin as soon as possible in the spring. George Smith, who resides on Cedar St., a graduate of the Normal High School, June 1912, left Potsdam Monday to take a course in business college in Albany. His many friends wish him success. Mr. and Mrs. Geo. Sealy spent last Wednesday night at Bicknellville helping to care for their cousin Mr. George Turner who died after a long illness early Saturday morning. The funeral was held on Monday afternoon. The members of the Forget-me-not Birthday Club spent a very enjoyable day with Mrs. Norman Benson on January 29. A delicious dinner was served at one o'clock. The Vice President took charge of the business meeting which was followed by a most interesting program. The consolidation of the Bell and Home Telephone systems, under the name of the Mountain Home Telephone Co. went into effect Sunday. There will be no immediate change in the offices here, but in the course of two or three months the systems will be combined on one switch board. The headquarters of the new company are in Malone. A temperance mass meeting will be held in the Opera House Sunday evening at 7:30 o'clock. This meeting will be addressed by Rev. D. B. Thompson Financial Secretary of Syracuse University. Dr. Thompson is a speaker of more than ordinary ability and is a graduate of the Normal. All friends and enemies of the liquor traffic are cordially invited. Born to Rev. and Mrs. Spencer Towle, at Florence, Italy, a son, Gordon Ross, January 13, 1913. Mrs. Towle was Miss Emma Kinney, daughter of Mr. and Mrs. William Kinney of this village, and a graduate of the Normal in the class of 1906. Rev. Towle is a native of California and is studying in Italy for Home Mission work. Potsdam Grange will be well represented at the New York State Grange held in Buffalo this week. Mr. A. M. Wheeler goes as delegate at large from St. Lawrence Co. which is considered a great honor and he is accompanied by Mrs. Wheeler. Mr. and Mrs. N. Sheets will represent Potsdam Grange. Mrs. Sheets is the delegate. Mr. A. A. Fifield, Worthy Master of St. Law. Co. Pomona has been appointed on the Millage Committee. Mrs. Fifield will also attend. A large and attentive audience assembled at the Sunday School room of the M. E. Church Friday afternoon Jan. 31 to hear the excellent address by Miss Lillian M. Phelps of Brooklyn. The meeting was called to order at 3 o'clock by the President of the W. C. T. U., Mrs. Moon. Devotional were in charge of Mrs. Wm. M. Hawkins. Charming vocal solos were given by Mrs. Paul Whitney and Mrs. John May. Miss Phelps is a highly educated lady, and a pleasing speaker. She has traveled extensively and her whole heart seems to be in the temperance work. After the address a silver offering was received also a number of new members to the W. C. T. U. Delicious ice cream and cake were served by the young ladies and another enjoyable and profitable afternoon came to a close. At the first meeting of Union Court Patience held in 1913 there was a general summing up of the work of the past year. It was a most successful year. There had been no serious illness among the members, although Mrs. Fred Williams, who had charge of that branch of the work, sent gifts of books, fruit and flowers to fourteen of the members. The charts that had hung in its place of honor 14 years were not draped for any passing member. Financially the secretary, Mrs. Mary Brown, reported that all obligations had been paid in full with a surplus of \$100 in the treasury. Fraternality the members give a showing of faithful work for the benefit of the order, the extent of the work giving a showing of 25 new members added to the roll call. That the Chief Ranger Mrs. Dezell has been indefatigable in her efforts the Companions recognized by presenting her with a gift of \$10 by roll and also the roll office to recognize the work she is doing by appointing her Commission Deputy Chief Ranger for the coming year.

Notice. I, the undersigned, Town Clerk of the Town of Potsdam, New York, do hereby give notice that the following question will be submitted to the voters of said Town to be voted on by ballot at the Biennial Town Meeting held February 11th, 1913: Shall the Town of Potsdam favor the building of a County Tuberculosis Hospital in and for the County of St. Lawrence? 37wt Fred E. Baum, Town Clerk. The Young Woman's Social Club of the M. E. Church will serve a Colonial supper Friday evening Feb. 21. Mr. M. M. Shea of Pine St. is in New York visiting his sister and other friends. Mr. and Mrs. L. A. Baker spent Sunday with their son and wife Mr. and Mrs. Roy E. Baker at Massena. Racket River Lodge will hold a regular meeting Thursday evening Feb. 6. The work will be the first degree. Messrs. Barker Weed, Howard Sanford, Edward Lee and George Sawyer are home from college for the mid term vacation. Dr. Schwartz of Colton was called to the home of Mrs. Fred Halford to attend her mother Mrs. F. M. Snyder the past week. Howard Foote attended the Phi-Sigma Kappa banquet at Albany last Saturday evening given in honor of the twenty-fifth anniversary of the founding of that Fraternity. The Business Men's Banquet was postponed until Feb. 27, in order to avoid conflicting with other meetings. The Moral Leaders section of the Fortnightly Club will meet with Mrs. Fintimore at No. 12 Elm St., on Monday evening Feb. 10, to study Savonarola. Mrs. Day will present a paper on "The Time in which we Live," and Prof. McDermott a paper on "The Prophet Sent by God." Miss Thompson will have charge of the discussion. The Friendship Birthday Club met with Mrs. Emily Campbell Jan. 29 for dinner with 17 members present. The house was tastefully decorated in pink and green crepe paper in a very pleasing manner. After a delicious dinner the company repaired to the parlor where the regular business meeting was opened by singing the club song. Every member responded at roll call with bright sayings of children which were very original. For entertainment we had something new, a table full of objects to guess. Mrs. James Regan won first prize, Mrs. Era Converse, consolation. Much laughter was provoked by 10 different kinds of groceries done up in a small cloth sack to guess what they were by the sense of touch only. Mrs. W. L. Franklin won first prize, Mrs. James Regan, consolation. Miss Ethel Lee and Mrs. O. Lee gave selected readings which were very good, also Mrs. V. H. Kirk talked interestingly on a public laundry. At 3:30 the company left for their homes wishing Miss Campbell many happy returns of the day. The next meeting will be Feb. 10th with Miss F. H. Lee and mother for supper. FORESTERS WANT HOSPITAL. Express Their Sentiments in Resolutions To Supervisors. At their last regular meeting Court Potsdam L. O. F. went on record as favoring the erection of a Tuberculosis Hospital for St. Lawrence County by passing the following resolutions: "To the Honorable Board of Supervisors: "Whereas, Records of the State Department of Health show that for the five years 1907-1911, four hundred and fifty-eight people have died in St. Lawrence County from tuberculosis of the lungs or consumption, a yearly average of over ninety-one, and "Whereas, Science coupled with experience has demonstrated that the rational care of tuberculosis patients is the most effective measure for both cure and prevention of the disease, and "Whereas, Twenty-seven counties have either provided or voted to provide hospital care for their sufferers from the disease, therefore, Be it resolved, That the Board of Supervisors of St. Lawrence County, be and are hereby petitioned to take, without delay, the necessary steps for the establishment of a County Tuberculosis Hospital-Sanatorium. Potsdam, Jan. 31, 1913. Stened, W. J. Murph, Chief Ranger. James E. Lenney, Rec. Secy." JAMES WALL. On Friday morning, January 31st, there passed away a well known resident of this community in the person of Mr. James Wall, 50 years of age. Mr. Wall was a farmer living on the N. E. Clark place near Eben, where he had been for several years. About a year or little more ago he was taken with a cold which developed tuberculosis. Mr. Wall, being a member of Court Potsdam No. 1336, Independent Order of Foresters, was looked after by that body, and when he was able, he was sent to Rainbow Sanatorium, in the Adirondacks, a hospital maintained by the Foresters for cases of incipient tuberculosis. He remained there about three months and was greatly improved in health. He came home after this time for a short leave of absence, but in place of going back, as advised by the physician in charge of the sanatorium, he remained at home, and insisted on working the farm, and that winter again developed a cold which ended in his demise. There are left to mourn his death a sister, Mrs. D. Bullock of Vermont, who was present at his death, John Wall of Vermont, and Daniel Wall of Massachusetts, two brothers, and his widow. The funeral was held at the R. C. Church at 12 o'clock on Sunday and about 40 Foresters attended in a body. Mr. Ernest Hawthorne in recital Tuesday evening, Feb. 25. His first appearance in Potsdam since his artistic success in Boston. Give this young artist a full house. Reserved seats 50 and 25 cents. 37wt

New Parcel Post Map. For a limited period the people of Central and Northern New York will have the rare opportunity of securing The Syracuse Daily Post-Standard for three-months-and-a-large-Parcel-Post-map, all for one dollar. The map is designed especially for this territory and contains an immense amount of valuable information, both of a local and a general character. Similar but inferior maps are selling at retail stores for \$1.25. It will be seen that by this arrangement The Post-Standard will cost you less than one cent a day, and you will receive this valuable map for only 25 cents. The Morning Post-Standard is the only paper in this part of the State that is delivered on the R. F. D. routes the same day it is published. The Market reports alone will more than save

you the price of the paper. A postal card brings a sample copy. Those who desire to obtain one of these valuable maps, postpaid, and The Post-Standard for three months, should send one dollar to The Post-Standard Company, Syracuse, N. Y., without delay. Notice.
