

FAREWELL FOR DRAFTED MEN

36 SENT THURSDAY TO CAMP UPTON.

Fund of \$180 Distributed Among The Quota.

The draft contingent leaving here last Thursday afternoon were given a big demonstration by residents of this and neighboring communities. Firemen from Norwood and Potsdam National Army men from Clarkson College, and citizens, several hundred strong marched in the parade in their honor. Perfect weather conditions contributed to the success of the program.

The parade formed in Elm street at Park, with the Band, National Army detachment, Drafted Men, Veteran's Drum Corps, Norwood and Potsdam Firemen in the line. The line of march led down Elm to Market, to Main, to Cedar, to Elm, to Leroy, to Garden, to Market and back to the Potsdam Club where the parade disbanded.

At the Club in the afternoon, the men were given supper and the line formed again at 5 and escorted the Draftees to the train. Flags were passed among the crowd and a total of \$180 collected which was distributed pro rata among the men. The quota left at 5:35 for Camp Upton, Yaphank, amid the shrieking of the siren on the Unity Paper Mills and the cheers of the crowd.

The following men made up the contingent as revised and in addition:

ASK FOR A QUARTER OUNCE OF FREEZE.

Any Corn Will Dry Up and Lift Out, Says a Cincinnati Authority.

Let folks step on your feet hereafter; wear shoes a size smaller if you like, for corns will never again send electric sparks of pain through you, according to this authority.

He says that a few drops of a drug called freeze, applied directly upon a tender, aching corn, instantly softens soreness, and soon the entire corn, root and all, lifts out with out pain.

This drug is sticky but dries at once and is said to simply shrivel up the corn without inflaming or even irritating the surrounding tissue.

It is claimed that a quarter of an ounce obtained at any drug store will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. Cut this out, especially if you are a woman reader who wears high heels. 3wd

SPECIAL SERVICE MEN GO

17 Left Monday For Buffalo And Tonkers.

The Draft Board on Monday of this week sent 17 men to Tonkers and Buffalo for special technical instruction in courses similar to that being given at Clarkson here. Three men went to Tonkers and the balance to Buffalo. Those going to Tonkers were Marshall Francis of Norwood, Fred H. Smith of Massena, and Fred Charters of Potsdam.

The men going to Buffalo are: Lloyd Burton and Chas. E. McCarthy, Potsdam; Morris Goldberg, Jesse M. Mahoney, Leo D. Jesmer, Peter Devine, James M. Brown, all of Massena; Loren E. Lindley, Malone; Patrick A. Mullen, Carthage; Harold C. Stowe, South Colton; Mark J. O'Malley, Colton; Francis L. Butler, Beaser Falls; Floyd Eastman, Stockholm; F. R. Bliss, Corning; Walter C. Mathews, Nicholville.

The Board has two calls for voluntary service in technical training schools, one for 185 men at Oswego, and one for 100 men at South Bethlehem, Pa. These calls are open, however, only to those who have been held for limited service.

EDSON POTTER PASSES AWAY

FOR MANY YEARS RESIDENT OF COLTON.

Prominent in Lumbering Business Since The Sixties.

Edson Potter, for many years one of the best known residents of Colton, died early Thursday morning at the home of his daughter, Mrs. Charles I. Olmstead, in Upper Elm street. Funeral services were held Saturday afternoon, Rev. W. J. Hamilton officiating, and interment was made at Colton.

Mr. Potter was born in Pottersville, Essex county, New York, 77 years ago, and came to Colton with his parents when but six years of age. His father was the late Philip Potter, one of the early lumber operators on the Raquette river, and one of the leaders in the industry which was for years the chief source of the North Country. Mr. Potter engaged in the lumber business with his father and his brother, Henry Potter of Colton, and also operated a grocery and feed store in Colton village. He was widely known and highly esteemed throughout this section.

He enlisted at the outbreak of the Civil War in Company K, 106th New York Volunteers at Ogdensburg and served throughout the conflict. He retired from active business several years ago.

Mr. Potter married in 1865, Miss Mary Reed, whose death occurred 5 years ago. Since that time he had made his home with his daughter here.

He is survived by his brother and two daughters, Mrs. Olmstead, and Mrs. Frank Cushing of Syracuse.

MRS. MARY O'NEILL

Mrs. Mary O'Neill died Friday morning, June 28, after an illness of six months, resulting from a fractured hip. She was born in Rego, Canada in 1839. At an early age she came to Ogdensburg where she married Michael O'Neill and lived there until nine years ago when she and her aged husband came to Colton to spend their declining years with their daughter, Mrs. F. R. O'Malley. Two years ago they removed to Potsdam, her husband dying shortly after. Besides this daughter, who so tenderly cared for her mother during her long illness, she leaves one son John O'Neill, an adopted daughter, Mrs. E. L. Lindgren of Flint, Mich., and five grandchildren. Her remains were taken to Colton for burial.

FLORENCE M. MARTIN

Miss Florence M. Martin died on Wednesday at the home of her sister Mrs. John Smith in Chestnut street. Miss Martin was the daughter of Joseph and Mary Rice, Martin of Waddington where she was born 25 years ago. She was a graduate of the Potsdam Normal and had studied for a nurse's training course. The body was taken to Waddington Thursday where funeral services were held on Friday.

FRED RIVERS.

Fred Rivers died on Friday night at his room at the Riverside Hotel. Mr. Rivers was the son of Frank and Eliza Rivers, natives of Canada, and had resided here practically all his life. He was 50 years of age. Funeral services were held at St. Mary's church Monday morning. Two brothers, Frank of this village, and Felix of Grand Rapids, Mich., survive.

SUED FOR \$100,000 DAMAGES

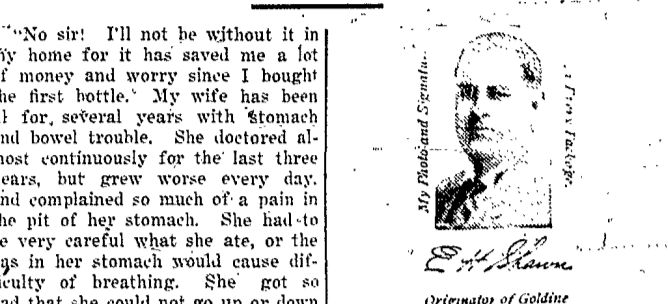

Another phase of the domestic infelicities of Mrs. Roberta Menges Corwin Hill Tearle manifests itself in an action she has begun in the Supreme Court of New York against Miss Adelle Rowland, the well known actress, whom she accuses of abducting the affections of Conway Tearle, actor, from whom she obtained a divorce last year. Mrs. Tearle yesterday filed in the County Clerk's office a summons in action to recover \$100,000 damages from Miss Rowland. When Mrs. Tearle sued for divorce she named Miss Rowland, and testimony introduced at the trial described a ball upon apartments in West 124th street, where Tearle and Miss Rowland were found together.

Would Not Be Without Goldine

Said Mr. R. B. Flick When He Came For Another Bottle of the Marvel Medicine.

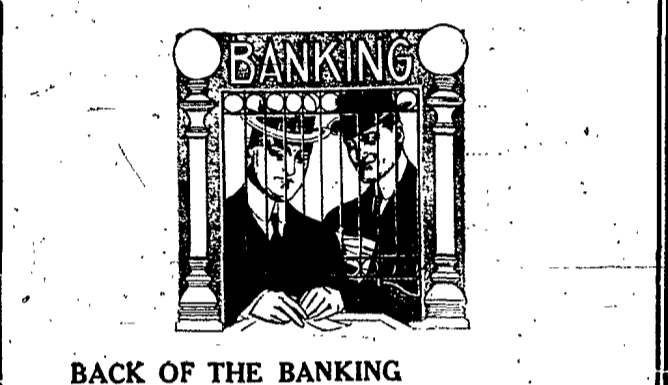

"No sir! I'll not be without it in my home for it has saved me a lot of money and worry since I bought the first bottle. My wife has been ill for several years with stomach and bowel trouble. She doctored almost continuously for the last three years, but grew worse every day, and complained so much of a pain in the pit of her stomach. She had to be very careful what she ate, or the gas in her stomach would cause difficulty of breathing. She got so bad that she could not go up or down stairs without help, and even then it was hard for her to get her breath. Her bowels were very bad. She had to take some kind of a laxative all the time and none seemed to do her any permanent good.

We hear so much about GOLDINE from those who had taken it, that we decided to try a bottle. It was better than what we had heard of, and it is the only medicine we ever got hold of that did the work.

My wife has not complained of the pain in her stomach, or shortness of breath, since taking GOLDINE, and she has no trouble going up stairs as before. Her bowels are normal for the first time in months, and when I asked her today how she felt, she said: 'I haven't felt so well in three years.' We said then that we would never be without GOLDINE in the house. So wrap up that bottle for me, and if any one wants to know more about it, tell them to ask me."

Cut the Cost of Mileage

When you see a car puffing and panting up steep hills and over rough roads when it really ought to move along as easily and as steadily as a brook glides in its course—blame it on inferior gasoline.

The use of poor gasoline, whether for limousine, touring car, roadster or motor truck, is always extravagant waste.

In these days there is no excuse for such waste. Buy high mileage and full power. Buy SO-CO-NY Motor Gasoline.

SO-CO-NY is the sure economy. It means more miles per gallon. It is clean—powerful—quick-starting—reliable.

Look for the Red, White and Blue SO-CO-NY Sign. SO-CO-NY means saving wisely. It cuts the cost of mileage.
