

TO FORM LODGE OF LADY MACCABEES

PLANS MADE AT MEETING AT NICHOLVILLE ON TUESDAY.

Nicholville, Jan. 28.—Tuesday evening of last week Nicholville Tent No. 620 K. O. T. M. gave an oyster supper and card party to the ladies in return who treated the men to a fine supper some time ago. Checkers, reading and singing were also enjoyed. When the tables were spread for the banquet and all were seated a large pyramid of lighted candles was placed in the center of the table, bearing the banner K. O. T. M. No. 620 and the date the Tent was organized, which made a handsome sight. The lights in the Hall were turned out until the candles had burned out. It was deemed a fine time on this evening to start a Lady Macabee lodge and 17 names were signed. It is expected that on the evening of Jan. 29 Mrs. Maude Sargent, District Deputy of Syracuse will be present. All ladies who have signed their names and all who would like to or any who may be interested and would like to hear her explain the good of the order are invited to meet her in Macabee Hall on the evening of the 29th. Mr. Sargent is District Deputy for the Sir Knights and all members of the K. O. T. M. are asked to be present as far as possible to hear him as he will accompany his wife.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.
Freezone is the sensational discovery of a Cincinnati genius. It is wonderful. 41-cov
