TECH MAY MEET S. L. U. ON DIAM

A RENEWAL OF RELATIONS ATHLETIC SEEM NEAR.

A meeting of the Athletic Association at Clarkson College held this week, probably for the first time it is possible that definite action may be taken toward a resumption of athletic relations between Clarkson and Lawrence University at Watertown. There have been rumors of this for some time, and it is that a basketball game this season was seriously considered.

If the plan goes through, probable that the first meeting between the two institutions would be fifteen years ago when Clarkson met Lawrence at Watertown in May 14 at that time St. Lawrence authorities were able to the project and it is believed that the local colleges will interpose any objections. Clarkson and St. Lawrence relations over a triangular meeting. Four of the alumni reasons and the student body both colleges are strongly in favor of new relations.
