The KITCHEN CABINET.

Experience tells us that foods we have in our kitchen are the best.

EMERGENCY DISHES.

A most delicious pie which may be quickly prepared, providing you have the following ingredients:

Ingredients: 1/2 lb. rich shell and fill it with sliced and chopped prunes, 1/2 lb. brown sugar, 1/2 lb. white cream sweetened and flavored, 1/2 lb. of various kinds may take the place of the prunes, but these make an especially good pie.

Cabbage Salad—Put a small cabbage head through the meat chopper. Mix a 2 inch square of salt pork in small cubes and fry a golden brown. Pour the hot fat over the cabbage and the brown bits of pork over the cabbage with a small shredded onion (the onion may be put through the chopper with the cabbage); stir and mix well; add plenty of salt and a few dashes of cayenne pepper; in the frying pan heat enough vinegar to moisten the salad; pour this over the cabbage boiling hot. Set in the warming oven until ready to serve.

Tomatoes With Corn—Stew down a pound of tomatoes with one minced onion and a sprig of parsley; season well and put in layers in a baking dish with "browned" corn. Cover with buttered crumbs and bake until well browned.

Fifteen-Minute Pudding—Just before dishing up the dinner put on the following pudding to cook: It will be ready to serve in plenty of time for the dessert: "Take one cupful of sifted flour, a little salt and a teaspoonful of baking powder; mix well and add enough rich milk to make a drop batter. Butter individual molds or cups, drop in a spoonful of the batter, then a spoonful of canned cherries or strawberries (any berry fruit); top with another spoonful of batter, set the cups into a pan of boiling water, cover and cook on the top of the stove fifteen minutes. Do not raise the covers while cooking. Serve with sweetened cream or cream and sugar. They are light, tender and delicate when carefully bottled.

Onions and Cheese—Take a dish of cooked onions, place in layers in a buttered baking dish with white sauce and cheese. Bake until well heated through. Use a rich cream cheese, as otherwise the cheese will cook stringy.
