STRAY DOGS KILL 15 SHEEP

FLOCKS ON FARMS OF CHAS POST AND MICHAEL SWEENEY.

Stray dogs allowed to run at large, attacked and injured fifteen sheep on the farms of Charles Post and Michael Sweeney on the Hannawa road one evening last week. The sheep were so badly injured that they had to be killed, but the dogs got away.

The sheep have been chased before by dogs, but the flock escaped without such disastrous results. The dogs are thought to be stray curs from this village which follow the Racquette up to the farms.

Mr. Post lost six sheep by their depredations, and Mr. Sweeney nine. The county, of course, is compelled to reimburse the owners of the sheep.

HAS PYRITES JOBS.

Sylvester Nicolette Will Do Work For DeGrasse Paper Company.

Sylvester Nicolette of this village has the contract for several jobs at the plant of the DeGrasse Paper Co at Pyrites. One is an addition to its transformer room 60x15 feet in size; another is the laying of a long piece of sidewalk in the main street of the hamlet, and a third is the installation of cellars under two of its houses. He will begin work at once.

LOCAL BREVITIES.

Potsdam Council K. of C. conferred the first degree on a class of five last evening.

Residents of various sections of the village reported sighting and hearing robins Monday and Tuesday mornings.

The newly organized Boys' Club rooms over the Wells Store in Market street have been fitted up and were opened for use for the first time last week.

There was an exceptionally large attendance at the moving picture entertainment for the benefit of St. Mary's Church last Wednesday. Over six hundred dollars was realized from the production.

State highway patrolmen working out of Potsdam are as yet uncertain of their positions, owing to the action of Commissioner Greene who announces that he will substitute what he terms a gang system, each gang to be equipped with a motor truck.

Every money raising proposition was carried by majorities of two to one or better at the village election last week. Included were $500 for the firemen, $350 for garbage removal, $1500 for a public health nurse, $4,000 for the municipal lighting system.

At the next regular meeting of Potsdam Grange, March 27, an interesting program will be presented by the men of the Grange, with H. H. Minkler as chairman. A large attendance is expected, meeting to begin at 1:30 p. m. The public is invited.

MRS. PAMELIA J. FISHER.

Mrs. Pamelia J. Fisher, widow of the late Thomas Fisher, died at the home of her daughter, Mrs. E. V. Deans, in Garden street, about 8:00 Thursday evening. Mrs. Fisher suffered a shock a few years ago, but had been in fair health since that time and was ill only about three days before her death. Funeral services were held Sunday afternoon at 2 and the body taken to Madrid for interment.

Mrs. Fisher's maiden name was Pamelia Hoyt and she was born in Parishville 83 years ago. She taught school in Potsdam prior to her marriage which occurred in Madrid. Mr. and Mrs. Fisher resided in Madrid until his death, when Mrs. Fisher came here, where she has since made her home.

She is survived by her daughter, Mrs. Deans, and by two sons: I. W. Fisher of Watertown, N. Y., and T. A. Fisher of Brookline, Mass.

MRS. HARVEY J. HALE.

Mrs. Harvey J. Hale, passed away at the home of her daughter, Mrs. Earl Ayers, Sunday of last week. Mrs. Hale was the daughter of the late Samuel and Catherine Buller of Pamelia. She was married to Mr. Hale of Potsdam in 1878 and had resided in Potsdam since that time.

Mrs. Hale leaves beside her husband, two daughter, Mrs. Brayton Hill of Hermon and Mrs. Earl Ayers of Potsdam; two sisters, Mrs. Welch of Hammond and Mrs. Florence Leadingham of Sioux City, Ia., and by two brothers, Henry and Charles Buller of Potsdam.

The funeral was held from the late home Wednesday.

MRS. NATHAN CRARY.

Mrs. Winifred Crary, widow of the late Nathan Crary, died at the St. Lawrence State Hospital at Ogdensburg, where she had been receiving treatment for nearly three years. The remains were brought to the home of her sister in Massena and the funeral was held from there on Wednesday afternoon at 2, and the body was placed in the vault at Calvary cemetery.

Mrs. Crary's maiden name was Mary Winifred Hepburn, being the youngest daughter of the late A. D. Hepburn of Massena. She was born at Massena Center March 27, 1887, and always lived in Massena. June 1, 1908, she was married to Nathan Crary of Potsdam. Mr. Crary died in October, 1918. Mrs. Crary was taken to the hospital nearly three years ago, her case from the first being hopeless.

She is survived by two young daughters, Zelma and Arnold, who live with their father's sister in Portland, Oregon, her mother Mrs. Mary Hepburn of Massena, four sisters, Mrs. Jessie Burns of Manchester, N. H.; Mrs. George W. Forbes of Boston; Mrs. H. B. Giles, of Rack et River, and Mrs. R. A. Squires of Massena; also one brother, Henry Hepburn of Sterling(Mass.

GUARD AGAINST THE 'FLU

Serious Outbreaks of Influenza all over North America

GOOD HEALTH IS THE SUREST SAFEGUARD

"FRUIT-A-TIVES" Strengthens Vigor and Vitality and Helps Protect Against Disease

There can be no doubt that the situation regarding the spread of Influenza throughout the country is one of grave concern. It is quite true that the number of cases does not constitute an epidemic such as caused the suffering and sorrow during the terrible days of 1918. Yet there is no disguising the fact that everyone should be on their guard against the disease.

In one city alone, from January 20th to February 21st, *three thousand, one hundred and twenty-two cases* of Influenza and 189 deaths from the disease were reported to the Health Department.

If the outbreak had come at the beginning of the winter instead of the end, we might reasonably feel that the very cold weather would check the spread of the disease. But coming as it has, at the end of the winter, there is grave fear that an epidemic may occur. For spring, with its slush and rain under foot, its dampness and chill, its constant changing from cold to warm and back again, is a prolific source of coughs and colds, pleurisy and pneumonia.

The best protection, in fact, the only safeguard against the 'Flu, is, GOOD HEALTH.

Those who are not as well and strong as they should be; those who are underweight; those who are "run-down" through overwork or sickness; should build up at once. What they need is a Blood-purifier, a body-builder, a strength-giver, like "Fruit-a-tives", the wonderful fruit medicine.

"Fruit-a-tives" regulates the kidneys and bowels, causing these organs to eliminate waste regularly and naturally as nature intended. "Fruit-a-tives" keeps the skin active, and insures an abundant supply of pure, rich blood. "Fruit-a-tives" tones up and strengthens the organs of digestion, sharpens the appetite, brings restful sleep and renews the vitality of the nervous system. "Fruit-a-tives" contains everything that an ideal tonic should have; to purify the blood, to build up strength and vigor, and to regulate the eliminating organs, so that the whole system would be in the best possible condition to resist disease.

Now is the time to build up your health and strength, not only as a precaution against the ravages of Influenza, but also to protect you against "spring fever" and the inevitable reaction which comes with the appearance of warmer weather. Get a box of "Fruit-a-tives" today and let this fruit medicine keep you well.

"Fruit-a-tives" is sold by all dealers at 50c a box, 6 boxes for $2.50, trial size 25c, or sent postpaid on receipt of price by FRUIT-A-TIVES Limited, OGDENSBURG, N.Y.

TONIGHT!

Take "Cascarets" if sick, Bilious, Constipated.

Enjoy life! Straighten up! Your system is filled with liver and bowel poison which keeps your skin sallow, your stomach upset, your head dull and aching. Your meals are turning into poison and you can not feel right. Don't stay bilious or constipated. Feel splendid always by taking Cascarets occasionally. They act without griping or inconvenience. They never sicken you like Calomel, Salts, Oil or nasty, harsh pills. They cost so little too—Cascarets work while you sleep.—Adv. 43w1

FIND REMAINS.

(Continued from Page 1.)

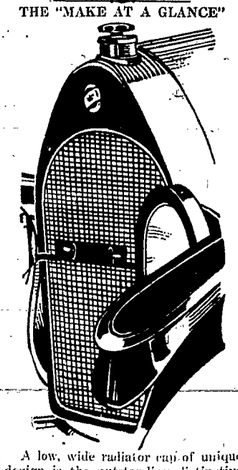
The skeletons were not of Indians. They were of a people more ancient. Whether or not they lived in preglacial days has not yet been determined, but certain it is that they were of the tribes now known as Eskimo. A dagger was picked up. It was made of elk's horn and was beautifully polished. Arrow heads of flint and jasper were found. Bird amulets were proof positive that no Indian was of the party. Arrow shaped knives and amulets indicate a race about whom not much is yet known.

It is surmised that Eskimos were wont to visit the shores in that section. Fishing expeditions brought them there. Ceremonial stones and gorgets made of polished slate are works of these prehistoric people of whom trace has been found from Newfoundland down to the major waters of this section.

How these sixteen came and why they met death remains a mystery, cleared, if at all, only by surmise. That they were a war party, overcome by the crafty Redskins is one opinion.

No written record is left and the archaeologists who in coming years uncover subterranean evidence must build their history inductively.

THE "MAKE AT A GLANCE"



A low, wide radiator cap of unique design is the outstanding distinctive feature of the Overland automobile. As may be seen in the illustration above, the cap consists of a base, which is nickel plated, and a screw top of hard black rubber. The Willys Overland cars, manufactured by the same company, have a cap of similar design, but in these automobiles the screw top is usually replaced with a motometer.

Famo Makes Women's Hair Grow Luxuriantly

Beautiful, healthy, lustrous new hair comes to the head on which FAMO is used regularly.

Women have reported to us that their hair grew as much as four to six inches after faithful and conscientious use of FAMO, which is the *one* hair preparation which can be used *daily* with beneficial results.

It also grows men's hair, even where baldness is beginning to appear.

Unless the hair roots are absolutely dead, FAMO will grow hair.

FAMO grows new hair because it destroys the seborrhea germ which is killing the hair.

The seborrhea bacilli go down into the glands and attack the hair roots.

Unless they are destroyed they will eventually kill the hair.

With the germ at work the hair is fighting for its life.

Nature fights against disease. But it cannot conquer alone.

FAMO will give the necessary aid to assure a healthy scalp.

FAMO will destroy the dandruff bacilli and make the hair grow luxuriantly.

It stops all itching of the scalp.

FAMO is the result of three years of scientific experimentation in one of the recognized pharmaceutical laboratories of Detroit.

Its ingredients have been well known to physicians for years but have never before been used on the head.

FAMO has accomplished wonderful results. Every member of the family should use it regularly. It contains no alcohol.

FAMO is sold at all toilet goods counters and applications may be had at the better barber shops and hair dressing establishments.

It comes in two sizes—a small size at 50 cents and an extra large bottle at $1. Your money will be refunded if you are not satisfied.

Seborrhea is the medical name for a morbidly increased flow from the sebaceous glands of the scalp. The seborrhean overflow home in scales or flakes, and is commonly known as dandruff.

Dear Sir—In February last I was confined to my bed with rheumatism. I was not able to move my hands or feet. My physician told me there was nothing he could do for me. But a friend told me about your Famous A. J. P. Rheumatic Cure: I sent for it and took it according to directions and now I am working every day. I cannot recommend it too highly to the suffering public.
