CLAIM RAW DEAL AT LISBON

COLTON TEAM DOES'NT LIKE TREATMENT ACCORDED THEM.

Colton, March 1.—The basketball team of Colton High School journeyed to Lisbon Saturday evening and met a double defeat from the "Lisbon Six" the referee being their best player. The fact that the Colton boys did not show up was partly due to the fact that they were not used to the basket, which was in a very poor condition and partly on account of the poor deal given to Colton. This was expected and an able umpire accompanied the team. During the last half the umpire called a foul for running. This decision was questioned and he was ordered from the floor. When he showed them in the rule book that he was right they still held off but after a long period of arguing the foul was called.

When Lisbon visited Colton, the townspeople donated a lunch to the players and in every way showed good sportsmanship. Saturday evening the Colton boys were given a cup of hot chocolate. During the game they were shouted at while making a foul and were discouraged in every way. In addition, they were relieved of their best ball. Both games were very rough and exciting. The second team was defeated by the score of sixteen to twenty and the first team thirty nine to seventeen.

Former Resident Dies.

Dr. and Mrs. W. H. Schwartz attended the double funeral of Mrs Jessie Rodee and Mrs. Mary Truesdale at the home of Mr. Leslie Rodee at Brick Chapel on Friday. Mrs. Rodee died very early on Tuesday morning and Mrs. Truesdal on Thursday morning, both of pneumonia. At the time of the funeral a son Bernard Rodee was confined to his room with the same disease. Mrs. Mary Truesdale was a former resident of Colton and since the death of her husband has spent much time here where by her amiability and cheerful happy disposition, she has made many friends who sincerely regret her loss. Mrs. Truesdale was born in Norfolk in 1839. She was the eldest of four children born to Norman Harvey and his first wife and was the last one to pass away. She came to Colton with her father's family in 1857. In 1858 she married Justine Truesdale and their first home was in Potsdam. Seven children blessed this union, five daughters and two sons, three of which survive her, Hiram and Eugene Truesdale and Miss Gertrude Truesdale a teacher in New York city. Of her father's family one) sister, Mrs. N. W. Jefferson of Colton and one brother, Wesley Harvey of New Mexico, also survive her. Mrs. Truesdale possessed in a marked degree the happy faculty of making people comfortable about her and seemed to live in a world of peace and good will. In this respect she was very like her sister, Mrs. Harvey, who died in Artesia, New Mexico on Dec. 13.
