## Sgt. Shannon Cited For Rescuing Wounded Mates

Staff Sgt. Harold C. Shannon has been cited for the Bronze Star for rescuing wounded comrades under enemy fire in a battle in France.

Sgt. Shannon was inducted from Potsdam two and one-half years ago and has been overseas more than a year. He was wounded Nov. 8 last, and received treatment in a hospital in France. He received the Purple Heart. Rejoining his outfit he was wounded in battle again Jan. 12, this year, and was sent to a hospital in England where he is still receiving treatment.

Following is the text of the citation: "Sergeant Harold C. Shannon, Infantry, U. S. Army, for heroic service in connection with military operation against an enemy of the United States in the vicinity of France on Nov. 8, 1944. During the initial attack of his company, Sgt. Shannon was wounded and was unable to continue with his unit. While awaiting medical assistance, he observed two of his comrades fall wounded ahead of his position, and realizing that they were in danger of further wounds or death, Sergeant Shannon proceeded to the wounded men and assisted them until all three were evacuated. Sergeant Shannon's heroism and loyalty to his comrades in spite of his own wounds were an inspiration to the members of his unit and

**ARE YOU BEAR THREE DAYS A MONTH?**

Why! "Monthly grump" makes you miserable—and everyone about you knows they are not necessary. Thousands of girls and women have discovered that functional periodic pain usually are greatly relieved when they take Chie-Ches-Ters Pills. Test a few of the time their period is expected. Taken according to directions, preferably two or three days before your time, they tend to relax the muscular contractions that have been found to cause pain, cramps, headaches and nervousness of such periods. An added iron ingredient in Chie-Ches-Ters Pills helps to promote resistance and energy. Be sure to ask your druggist for Chie-Ches-Ters Pills, and accept no substitutes. Contains live only as directed.
