Up-and Out-Over Decoration Day

Here comes a holiday, right in the middle of the week! Are you off to the beach to laze in the sun? What fun! Wear a bathing suit as impudent as a wink—a sure beau catcher, or don one of those bare-armed lovelies with just a suggestion of a "dressed" look. Will you gallivant to the country? Then it's a charming print you'll want, or perhaps a very special cotton suit or lightweight coat. For you lucky gals who start vacationing on Decoration Day there's a host of other indispensables—rainbow tinted play shoes, pert hats, smart bags—many, many items to make much of a good time.

- Sharkskin play dress trimmed with contrasting bands. 7.95
- White batiste blouse. Blue and white print skirt. 9.95
