

STRIKES and SPARES

BY CHARLES T. ARNOLD

The Roman Gardens, first place team in the Commercial League continued on its way by taking four points from the Potsdam Jay Cees. Bennett had a nice triple of 591 with Driscoll close behind him with a triple of 584. This team has the lowest handicap of any of the teams in the league, therefore the team members really have to hit consistently in the 500s to overcome the opposing team's handicaps. H. LaCoss has the high average a game to date with 187 and P. Driscoll is second with 184.

The American Legion 1 team knocked off the Potsdam High School team which had been in first place earlier in the season. Bresse and Zelbacker of the Legion team had 582 and 552 respectively. Harrington, Colbert and Kingston of the high school team had some nice scores, but did not manage to hit five hundred triples.

The Nicholville Phone team has begun to show improvement. They took three points from the ROTC Staff. Sam Chambers continues to hit over 180 average. E. B. Boulds has shown the greatest individual improvement for the past six weeks of any on his team. Walsh, McCutcheon and Pinkham seem to be in a temporary slump at the present time. They have hit higher scores for the ROTC Staff in the not too distant past.

Nickerson's Shell Service team lost three points to the tough Putnam-Hawley team. Nickerson's has low handicap and when Seymour, Howard and Van Deusen of the Putnam-Hawley team got hot each hitting 500 triples, it was too much for the Nickerson boys to overcome. Detlef, Zollner and Pochepan hit 572 or better but Ingraham, starting off with a 205, hit into some splits and only hit 144 and 146 for his other two games.

The A & P Store seems to have hit its stride. It took three points

from the hard hitting Mohawk Roofing team. Roy Graves is consistently improving and led his teammates with a 488. Rische and Thomas were the strong men hitting over 500 each.

The Flying A's took the American Legion 2 team for four points. Arnold and Thompson were the high scorers for the legion team although Arnold did not hit 500. Thompson had a 524. Lenney, Thomas and Ferry were the mainstays for the Flying A's.

Texas Hot took four points from the Racquette Valley Dairy-men. Duncan was the only man on his team to hit over 500, and Aiken, who is generally a much better bowler, hit what was for him a low for the season.

The OWD team walked off with four points from the Winters Dairy. Lahey had his best triple of the season hitting 603 for the OWDs. E. Lavine hit over 500 for the dairymen.

In the Sandstone league, the McManus team won three points from the firemen. Every man on the McManus team hit triples over 500 and Detlef hit over 600.

Fiacco's Tavern split two and two with the Rialto Theater. McEwen and Van Alstine were high scorers for the Rialto while LaCoss, LaDuke and Ferry were high for the Fiacco Tavern men.

Maytag 1 took three points from the Kaplan team, Lahey, Sovie and Blackmon being the heavy hitters, each with scores over 600. LaBrake started off his triple with 212 and then fell into splits and misses. E. Erwin, the oldest bowler in the leagues, hit several good games.

The Breckenridge Oilers took three points from the St. Lawrence Electric. The Electricians will say they hit into a slump. They sure did.

The American Legion team managed to split the points with the Lion's Cubs. Rose hit over 500. Bresse was way off form.

You can't crowd that head pin too much without getting splits and you can't miss too many spares without ruining your score. Miles and Strickler hit over 500 for the Cubs.

Loblaws took three from the Lions. Look out for Loblaws. The team is coming fast. It will not pay any team to discount it too much.

The Parishville Hilltoppers took four from the Maytag 2 team. W. Thomas was the only man to hit over 500 triple. R. Daniels of the Hilltoppers was getting splits and misses as his score shows. W. Oman was having the same trouble.

Community Ice Cream took three from the VFW. Jones and Simpson had good triples. Wylie and Charlebois were in the Vig guns for the Vets, while A. Jones hit a high single of 242 without handicap or a 269 with handicap.

High team single without handicap was made by the McManus team with a 1072, high team triple is held by the Fiacco's Tavern with 2963. High individual single is held by E. Detlef with 254 without handicap, and high individual triple without handicap is held by D. Dwyer of Fiacco's with 645.
