Now you Know!

The answers to everyday insurance problems.
By JIM LAHEY

The only form of insurance to be discussed in this week's column can be purchased for a premium as small as ONE THIN DIME! It helps to insure little children against the tragedy of spending their lives on crutches or in wheel chairs. It guarantees proper medical care and the benefits of nation-wide medical research to those stricken by the dreaded infantile paralysis. This policy is called the MARCH OF DIMES and there is no man, woman or child who can afford to be without it. No one needs expert advice or insurance counsel to see the tremendous benefits returned for the dimes or dollars invested so let's all act—NOW!

*If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.

POTSDAM HIGHLIGHTS

BY JUDY LOWE

With midyears just around the corner the midyear oil is burning long and steady. These dreaded exams start Monday the 22d, and each one last three hours. Keep your fingers crossed.

To celebrate the completion of midyears, Genevieve Baxter and Carol Dart are having a sleigh ride. Twenty sophomore girls are invited; they will in turn invite boys. After the ride all will return to Carol's house for refreshments. Let's hope for snow.

The names of the girls in the Octet have been announced. They are: Doris Weegar, Barbara Adams, Gale Stillman, singing first soprano; Polly Lou Young, Paula Logan and Anne Grace, second sopranos, and Carole Hughto and Shirley Russell, altos. We should be hearing these songbirds warble pretty soon.

Potsdam slides into a second place tie with Tupper Lake because of the defeat by Ogdensburg. Tuesday night we played Tupper and Friday the team goes to Saranac Lake. The next

home game is on the 26th with Norwood.

Speaking of sports, the hockey team coached by Mr. Turcotte, has started its season. It played Norfolk Saturday and was defeated, 5 to 0. The schedule includes a game with Clifton-Fine here in the arena and a return match with Norfolk. Then on Saturday to Saranac Lake. Here's to a successful season.

Last Monday, state scholarship classes started for those students planning to take the state scholarship exams Mar. 7 and 8. Various teachers take these classes after school to help these "eager beavers".

A motion picture was shown to the boys in school on Wednesday entitled "The Benefits of Completing High School Education".

Bill Burwell, Dick Evans and Ed Sullivan left Tuesday morning for the New York State Maritime School at Fort Schuyler. Wednesday morning these boys took entrance exams for admission to the school.

Good luck to everyone on midyears.
