POTSDAM HIGH-LIGHTS

BY JUDY LOWE

The news really piled up over the week's absence, so here goes. The PHS eagers, who have an impressive record of eight wins and two losses, play host to two teams this week. Tuesday night was the rescheduled Norfolk - Norfolk game, and Friday, the Gouverneur game. We are eagerly looking forward to the championship play-offs which we should take part in if the present record is kept.

In the opening hours of the CCT invitational hockey tournament the Potsdam skaters lost to Massena 11-0. So far this year these boys haven't been able to pull a victory. Maybe they just need a little support. After all, the games are free. Let's hope that there are brighter days ahead for the team.

Congratulations are in store for Gale Stillman as she again heads the honor roll with an average of 95.80. The two next highest are Barbara Dodds and Jacqueline Pierce with averages of 93.80.

In each homeroom small cards for donations for the March of Dimes were handed out last week. There were slots for dimes and students contributed whatever they could. This all goes for a very worthy cause.

A new face was seen in the halls as of last Wednesday. It was Pat Reed, a sophomore, who hails from New Paltz. We hope she will like Potsdam as well as the rest of us.

Sallie Decker seems to be quite the party giver. She threw another affair last Saturday night with about twelve couples attending. The rug was rolled back in the good old fashion for dancing, while refreshments were stored in the kitchen. Everyone seemed rather sleepy-eyed Sunday morning for some strange reason.

A talk with Mr. Ritchie, the industrial arts teacher, revealed some major projects which some of his boys are engaged in. Roland Deon and Jack Scott are both making bedside tables. Roland's table is a black walnut, while Jack's is a colonial design of maple. It certainly must take time and patience to make these things. Gunracks are popular among the boys. Dick Grant and Bill Robinson have made some exceptional designs and racks. In the metal shop Lyle Wheeler, Gerald Dow and Lyle Charleston have been working with turned lamp bases and mechanic's clamps. There will be more reports from the shop from time to time.

Another new face has been seen around school, mainly around the music room. He is Mr. Donald Janse, who is doing his off-campus teaching. Mr. Janse, a junior, is a voice major and comes from Williamson. He belongs to Delta Kappa Fraternity, Collegiate Singers, Mens Glee Club and Crane Chorus,

just to mention a few. He will be helping out in the music department for a period of eight weeks.

Some very important items were discussed in a recent Kronikler meeting. In previous years, the staff members have been chosen by Mr. William Palmer, the advisor. With a definite majority it was decided that in future years a vote will be held to elect staff members. Sometime in the spring an election is planned for next year's staff. The next edition of the paper is coming out the end of this week.

The girls of the LBB sponsored a food sale at St. Lawrence Electrical Saturday. They are raising money for the athletic banquet which is to be held in the spring. It has been the usual procedure to have a football banquet in the fall, but plans were changed this year. This banquet will be an "all out affair". All the boys participating in inter-scholastic sports will attend.

OUR DEMOCRACY—by Mat

THE EYES HAVE IT

FROM 1861 TO 1865, MATTHEW BRADY FOLLOWED THE ARMIES FROM BATTLEFIELD TO BATTLEFIELD, WITH HIS CUMBRIOUS CAMERA—AND GAVE US A GREAT PICTORIAL HISTORY OF THAT WAR. HE WAS THE FORERUNNER OF NEWS PHOTOGRAPHERS, BUT HIS OWN PICTURES WERE HISTORY, NOT NEWS, BY THE TIME THEY WERE PUBLISHED.

TODAY'S NEWS PHOTOGRAPHERS, AIDED BY THE TREMENDOUS ADVANCES IN PHOTOGRAPHY AND THE TRANSMISSION OF PICTURES BY WIRE AND WIRELESS, GIVE US THE NEWS PICTORIALLY WHEREVER AND WHENEVER IT HAPPENS, IN PEACE OR WAR. THROUGH THEIR EFFORTS WE GAIN A SENSE OF HISTORY IN THE MAKING, AND OF PARTICIPATION IN THE EVENTS OF OUR TIMES. THESE MODERN "BRADYS" THEREBY HELP ALERT AND INFORM THE PEOPLE, TO THE ADVANTAGE OF OUR DEMOCRACY.
