Friend, Relative in War Zone? We Want to Know About Him

Do you have a son, husband, brother or friend in military service in Korea, or in neighboring Japan, from where he may move to Korea, or in the Navy's Pacific fleet?

If you do, The Courier Freeman would appreciate your sending us his name and military unit, and his picture. This is to help us know who from this area is in or near the war zone.

It also will enable us to let you know when one or more of our wire services brings us word of your service man. Usually, news of military developments at the battlefronts reach a community first through a newspaper office.

Please fill out the accompanying coupon and send it, with a clear untinted picture to Korea Directory, THE COURIER FREEMAN.

Announce New DODGE "Job-Rated" Trucks

The trucks that do the most for you!

More powerful than ever! Dodge now offers you the most powerful "Job-Rated" trucks in Dodge history!

Eight engines—94 to 154 horsepower—with power increases as high as 20%!

You get the right power for your job... in the finest performing trucks that ever carried the Dodge name! Yet these new Dodge "Job-Rated" Trucks are priced with the lowest!

NEW! Smarter styling! New beauty combined with massive, rugged appearance. New hood line for better road visibility. Roomy new cab interiors in contrasting colors—new comfort with redesigned seats.

NEW! Easier handling! Shorter turning diameters than ever before—for even greater maneuverability! More convenient steering wheel angle for greater driving comfort. New worm-and-roller steering gears for easier steering—plus all the ease-of-handling features that made Dodge "The Choice of Champions" in the 1950 National Truck Road!

NEW! Extra-quiet brakes! Another Dodge engineering first! New, molded, tapered Cyclebond brake linings contact brake drums with smoother, more even action—practically eliminating brake squeal. Less tendency of brakes to "grab"—and lining life is greatly extended. Standard on trucks 1½-ton and up, except for air brake models.

More than 50 brand-new features including...

NEW! SMOOTHER RIDE with new "Oriflow" shock absorbers; standard on ½-, ¾-, and 1-ton models.

NEW! EASIER LOADING with lower ground-to-floor height on all models through 2 tons.

NEW! EASIER BAD-WEATHER STARTING with new moisture-proof ignition and high-torque starting motor.

NEW! MORE ECONOMICAL PERFORMANCE with higher compression ratio—on all models through 1 ton.

NEW! EASIER-TO-READ INSTRUMENTS—now grouped in a cluster placed in front of the driver.

NEW! TWIN CARBURETION AND EXHAUST SYSTEM for greater power with economy—available on all high-tonnage models.

NEW! SMOOTHER ENGINE IDLING with "hotter" spark plugs; on all models through 1 ton.

A model to fit your job!
