

Customers' Corner

"What, only one day for Mother?" Sunday is Mother's Day — the day on which folks try to make everything extra-special for her. But your A&P doesn't believe that is enough recognition... we say she deserves our best — every day! Making Mother's life easier every day of the year is A&P's aim... by offering a tempting wide variety of food and pricing every item to give top value... by being headquarters for pleasant shopping... by guaranteeing everything we sell. Nothing's too good for Mother. And if ever we displease her, we wish she'd tell us.
