### Chamber Sends Frosh Letters

Potsdam Chamber of Commerce is sending out letters to each entering student at Potsdam State Teachers College and Clarkson College in an effort to acquaint new students with the village and its stores. The letters to entering students are identical except for the names of the colleges. A copy of the letter sent to entering Clarkson College freshmen is printed on this page.

Authorities of both colleges have provided the Chamber of Commerce with the names of students who will be entering in September. The letters were printed by the Courier and Freeman.

Also in preparation is an extensively illustrated pamphlet written by the chamber outlining vital statistics about Potsdam. The pamphlet will be used to persuade businesses and people to make the village their home. The pamphlet is expected to be off the press within one or two weeks.

## POTSDAM HIGH-LIGHTS

by JUDY LOWE

A good share of us are not dreading the thought of five-week tests this week because of the fact that only five more weeks remain in this school year. Ah, music to my ears. School exams start on the 12th and 13th, while regents week commences on June 16. The Senior Ball is usually scheduled for the following Monday, which in this case, would be the 23d. That all-important day of graduation is set for June 24, a Tuesday.

The first league track meet gets underway this Saturday between Canton, Gouverneur and Potsdam, Canton led the scoring with 80½ points to their credit. Gouverneur followed with 80 points and Potsdam brought up the rear with the remaining 40½ points.

All those students who have an average of 85 or over are eligible for membership in the National Honorary Society. A tea was given by a faculty committee in the gymnasium at 3:45 yesterday under the direction of Miss Marion Gibson. This is the first time that these students have been honored at such an affair. Thanks to all those faculty members who helped make it a success.

The Senior Girl Scouts is a growing organization in Potsdam. Approximately 80 high school girls belong. The girls got together and gave a mother and daughter banquet at the Quonset last night, which turned out successfully. These Scouts are planning a combination food and homemade article sale for the near future. Rather ambitious girls, these Scouts.

A little rivalry has arisen among the boys of each class in softball. Every year at this time the four classes play each other for Little Brown Jug. These games being played now are just for fun. So far the seniors defeated the juniors, 18 to 12, and the sophomores downed the frosh, 22 to 18. Pretty soon the faculty will form a team and enter the competition.

Although the PHS baseball team played with all their might on Friday, they just couldn't hold down that Tupper Lake team. Potsdam's early lead was soon overcome and we lost 10-8. On Tuesday they played a game against the St. Lawrence Central team there. Then on Friday we play host to the Saranac nine. Our record now is two wins and two losses. A good crowd from the side lines would add spirit to the team. Why not drop in on these home games?

Several high school girls will be selling tags for the Hospital Guild Tag Day this Saturday. Give these girls or whoever is selling tags some support by buying one.

POTSDAM, NEW YORK  
"Gateway To The Adirondacks"

### WELCOME TO POTSDAM

The Potsdam Chamber of Commerce takes this opportunity to congratulate you upon your matriculation at Clarkson College. Because graduates of Clarkson have an enviable record of successful careers in their respective fields, we feel that you have made a wise choice.

The enclosed pamphlet will give you some idea of what Potsdam is like. You will enjoy living in our village because it offers a great many activities not usually found in smaller communities. You will also find that many students take an active interest in village projects; a tribute to the fine relationship between townspeople and student body.

Merchants in Potsdam cater to the needs of College students and carry large selections of just the things you will want. The school authorities tell us that new students very often purchase clothing and accessories before entering school that are not appropriate for College life and therefore tend to waste funds that could be put to better use. It is strongly suggested that you wait until you enter school before buying your wardrobe and accessory items so that you will then be certain of what is usually worn and used during your stay with us.

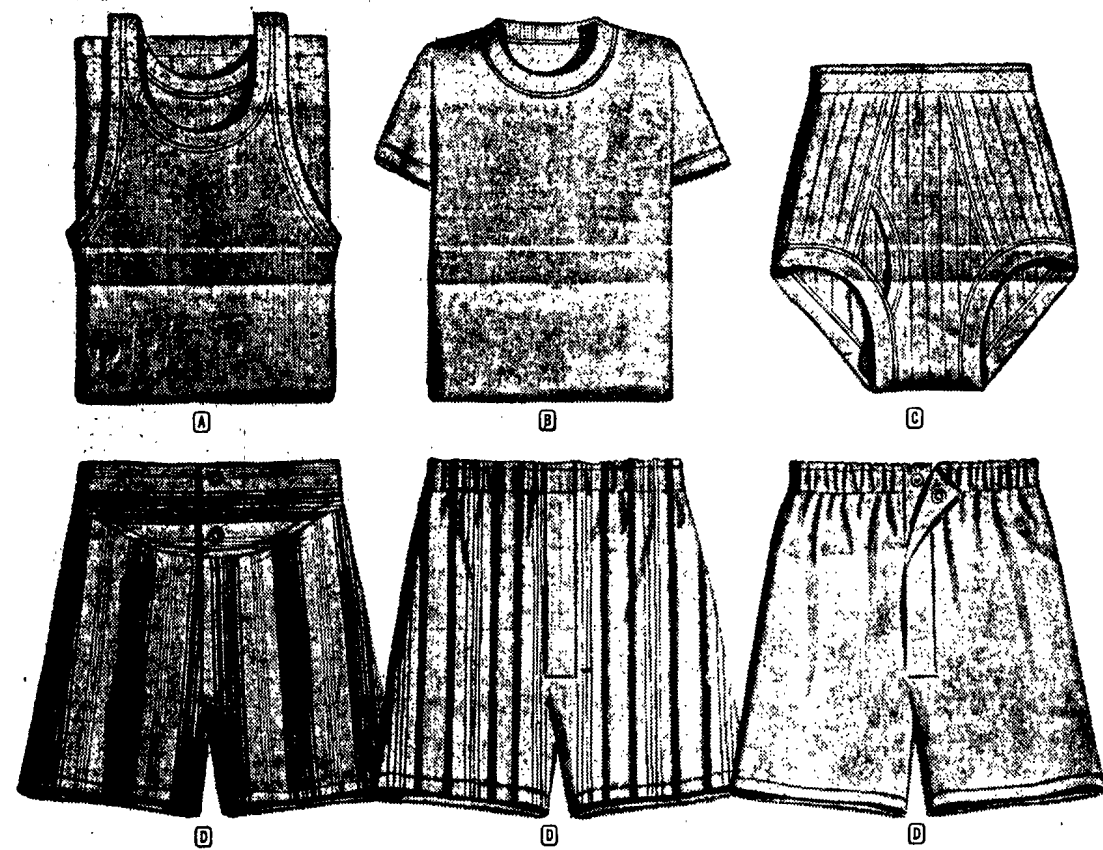

Lots of luck - We shall look forward to seeing you.
