**CHEVROLET**

Stack up what you get for what you pay... and join the nation's largest group of truck users by choosing Chevrolet

By far the biggest number of truck users today are Chevrolet owners... and for good hard-headed reasons. Because what they get is this:

Low Cost-in purchase price and in upkeep. A truck that gets the job done. A truck that's rugged, long lasting. Take a look at the four facts below... and see why you, too, will be money ahead with a Chevrolet truck. Come in and see us about it!

**FACT NO. 1** Save money on purchase price Stack up a Chevrolet truck against any other truck with comparable specifications. You'll find the Chevrolet truck lists for less.

**FACT NO. 2** Save money on operating costs Hundreds of thousands of truck users have proved to their own satisfaction that Chevrolet costs the least of all to own and maintain.

**FACT NO. 3** Save money on job efficiency Chevrolet trucks are factory-matched to your payload requirements. You don't buy "too much or too little truck."

**FACT NO. 4** Save money on low depreciation Records show that Chevrolet trucks traditionally bring more money at resale than any other make which costs about the same new.
