

Customers' Corner

"We mean what we say..."

"Guarantee" is a word that is used rather loosely. To A & P, it means just one thing—you must be completely satisfied with any item you buy in our stores, or your money will be refunded promptly and cheerfully, without question!

This is just one more safeguard to maintain the confidence of our customers and the reputation for value we've built over 92 years of business.

We invite you to see your A & P manager if ever you're displeased with anything you buy, he's sure to set it right!
