MADE RIGHT TO STAY BRIGHT!

Du Pont House Paint cleans itself!

Your house stays dazzling white for years when it's painted with Du Pont House Paint! This unique blend of pigments and oils actually sheds dirt. It cleans itself! With Du Pont House Paint, a fine white powder forms under normal exposure to sun and weather. Then, when it rains, dirt and grime are washed away! However, excessive soot or heavy shade or stains from metal surfaces, such as copper screening, may interfere with or delay this process.

Beautify your home with the paint that's made right to stay bright. Ask your Du Pont dealer about "Self-Cleaning" Du Pont House Paint in Outside White or popular tints.
