Man's natural freedom and protection as the image and likeness of God, will be stressed at Christian Science services next Sunday. The subject of the Lesson-Sermon is: "God the Preserver of Man."

The Golden Text is from Psalms: "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty." (91:1)

One of the passages from the Bible will be: "And he brought forth his people with joy, and his chosen with gladness." (Psalms 105:43)

The selections from the Christian Science Textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will include: "God made man free." "All men should be free. Where the Spirit of the Lord is, there is liberty." Love and Truth make free, but evil and error lead into captivity." (p. 227:15, 17-20)

While the pastor is in Kansas City attending the General Assembly, the prayermeeting this week and the services for the next two weeks will be supplied by guest speakers.

Presbyterian Church

The service this Sunday will be one especially honoring the Junior and Chorale choirs of our church. The children in these choirs have given invaluable service to their church. Because of them it has been possible for us to have good music on the Sundays when the adult choir is weakened by the absence of college young people. Several children will participate in the service. Certificates will be given to the members of the choirs for the service they have given.

11 a. m. Worship and sermon, Stories on the Commandments.
