First Church of Christ, Scientist

Sunday School, 9:45 a.m.
Wednesday evening testimonial.
Reading Rooms open daily except holidays, 3 to 5:30 p.m. also Monday and Thursday evenings, from 7 to 9.

The public is cordially invited to attend the services and enjoy the use of the Reading Rooms, which include a free lending library.

That the real universe is spiritual, created and sustained perfectly by God, will be brought out at Christian Science services next Sunday. The subject of the Lesson-Sermon will be: "Is the Universe, Including Man, Evolved by Atomic Force?"

The Golden Text is from Amos: "Lo, he that formeth the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the earth, The Lord, The God of hosts, is his name." (4:13)

The selections from the Bible will include: "He hath made the earth by his power, he hath established the world by his wisdom, and hath stretched out the heavens by his discretion." (Jer. 10:12)

One of the readings from the Christian Science Textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will be: "Every object in material thought will be destroyed, but the spiritual idea, whose substance is in Mind, is eternal. The offspring of God start not from matter or ephemeral dust. They are in and of Spirit, divine Mind, and so forever continue." (p. 267:1-5)

Baptist Church

Saturday—
1:30 p.m. Junior Choir Rehearsal
Sunday—
10 a.m. The Church Bible School. Garnet Frank, superintendent. Bible Lesson: "The Sin of Greed." Classes for all ages, studying about God.

11 a.m. The Church at Worship. Harold Joly at the organ. Junior Choir Anthem: "In Summer Fields" by Curry. Gospel Message by the pastor: "The Kind of Faith We Need." A Christian Faith must be the kind of faith that sees God and humbly feels a need of God and is set in heart to obey God.

Wednesday, June 25—
7:30 p.m. The Fellowship of Prayer. Here we have knowledge of God through the study of God's Word and Communion with God in mutual prayer. The Bible study will be: "The Kind of Love God's Love Is."

Friday, June 27—
11 a.m. Worship and sermon, "He that Keepeth Israel".

Presbyterian Church

How God watches over us will be the theme of the sermon this Sunday. Does He promise to keep us safe from danger? save us from flood, fire and tornado? And if the worst happens to us or our loved ones, then has God forsaken us?

It is not only important to have faith, it is important to have intelligent faith. We shall face some of the problems of faith as they come to us through the verses of Psalm 121.

11 a.m. Worship and sermon, "He that Keepeth Israel".

He is now enrolled in the wheeled vehicle mechanics course and has just finished his fourth week of schooling.

Ann Batchelder Weds F. K. Jolls, Tech Graduate

MRS. F. KEITH JOLLS

Miss Ann Batchelder, daughter of Mr. and Mrs. Charles E. Batchelder, 9 Garden St., was married Thursday afternoon, June 12, to Frederick Keith Jolls, son of Mr. and Mrs. Frederick L. Jolls, Gowanda. The ceremony was performed at the home of Miss Helen M. Hosmer, 48 Elm St., by the Rev. L. Hamilton Garner of Newark, N. J. and was followed by a reception at Miss Hosmer's home.

The bride wore a white gown of imported, hand-embroidered organdy and a silk tulle veil attached to a cap of the same organdy. She carried a bouquet of white carnations and orchids.

Miss Jan Taylor of Scituate, Mass., college roommate of the bride, was maid of honor. She wore a pale green organdy dress and carried a bouquet of Shasta daisies with ivy streamers. Robert Curtis of Utica, fraternity brother of the bridegroom, was best man.

Mrs. Jolls was graduated in June from Sarah Lawrence College. Mr. Jolls was graduated from Clarkson College of Technology where he received a B. S. in civil engineering. He is a member of Sigma Delta Fraternity, Tau Beta Pi, Phi Kappa Phi and the Clarkson board of governors and is listed in "Who's Who Among Students in American Universities and Colleges."

Mr. and Mrs. Jolls will make their home in Potsdam until September when they will move to New York where Mr. Jolls holds a fellowship for graduate study at Columbia University.
