"The Good Old Summertime"

June 20th heralds the first day of Summer. It brings with it your hot weather struggle against lagging appetites . . . and the losing battle with the family purse strings loosened by vacation planning.

In the good old summertime, just leave the answer to good old A & P.

Here you'll find the light, easy-to-fix foods your family likes, foods that will lighten your kitchen work and are light on the purse. Let our experience of over 90 summers help you. And if ever anything doesn't please you, please tell your A & P manager.
