

Summer Pierce Observes 88th Birthday; Soup Sale Dec. 2

By MRS. LAWRENCE DEAN, EV 4-4310

Two Norwood men helped their father observe his 88th birthday Tuesday, by visiting him with their families. Summer Stewart Pierce of the Potsdam-Canton road was 88 years old on Nov. 28 and is hoped to see those of his nine children who live near enough to "drop in" for a visit. He was born Nov. 28, 1873 to Doctor (Ed., this is a name, not a title) and Salita Stewart Pierce, at the farm where he has lived all his 88 years. He attended local schools and graduated from Potsdam State Normal School.

Pierce and the former Charlotte Cornell of Canton were married Oct. 5, 1911. Their Golden anniversary was observed very quietly, since a family celebration had been held on an earlier date. They operated the farm until a few years ago, when he retired and their youngest son took over its operation.

Mr. and Mrs. Pierce had ten children, of whom nine still live: Lee and Rodney of Norwood; Benjamin, on the farm next to the home farm; Mrs. Lloyd (Harriet) Hall, Potsdam; Major Sumner S. Pierce, Jr., with the Air Force in Riverside, Calif.; twin daughters, Mrs. Orson (Marjory) Fvay, Canton, and Mrs. Margaret C. Willmarth, Buffalo; Royal, at home; Mrs. Arnold Inez) Crump, Silver Springs, Md. Another son, Calvin, died in infancy. There are also 24 grandchildren and 5 great-grandchildren.

Pierce is in fairly good health and enjoys reading and watching television.

Mrs. Raymond Town, Cottage street, spent the weekend with her parents, Mr. and Mrs. C. T. McNeerney of Camillus.

GIRL SCOUT MEETING
Mrs. Marion Frego of Norwood attended a dinner meeting at the Casa Bianca, Gouverneur, of representatives of all Girl Scout Councils in St. Lawrence County, also Lewis and Jefferson Counties, last Thursday, Nov. 16. Other representatives attending from the Northeastern Neighborhood were Mrs. Hazel Loucks of Stockholm and Mrs. Alberta Spencer of Brasher Falls. The primary purpose of the meeting was to get information to bring back to the local Boards about the possible formation of a Tri-County Council, as recommended by the national headquarters of the organization. There will be another meeting during the latter part of January at which time two representatives from each Council will be invited to attend.

Sale Set Dec. 2
The Girls Interest Group of First Methodist Church will sponsor a soup sale on Dec. 2. Orders should be given to Judy Ginn or to Mrs. Jack Nicholson not later than today. There will be a choice of either vegetable soup or clam chowder.

Dana James McClure, son of Mr. and Mrs. Donald McClure of Brasher Falls was baptized by the Rev. Frank Smith at First Methodist Church, Sunday, Nov. 19.

Four past Grand Regents and the present Grand Regent of Court Santa Maria, Norwood C.D. of A. attended the 52nd anniversary banquet of Court Ave Maria, C.D. of A. at Malone on Nov. 20. This was also the occasion for a testimonial dinner for Mary Hoyt, Malons, who has recently resigned after serving some ten years as District Deputy. Those attending from Norwood were: Grand Regent Joan French; past Grand Regents, Melva Hunter, Irene French, Margaret Claffey, Claire Dockum. All five served during Mary Hoyt's term of office.

Thirty members of the C.Y.C. of St. Andrews parish held a scavenger hunt and a pizza party Nov. 25.

Mr. and Mrs. Ed Gresmer, Schenectady, and Mrs. Hazel Jones, Oneonta, are spending a

Christmas Sale This Saturday At St. Philip's

Norwood — St. Philip's Episcopal Church in Norwood is having its Annual Christmas Bazaar and Turkey dinner this year on Saturday. The sale is under the direction of Mrs. Kenneth Thorley, President of the Episcopal Women in Norwood.

A penny luncheon will be introduced for the first time this year and at night the traditional Turkey Dinner will be served. Both meals are under the direction of Mrs. John Colbert and Mrs. Josephine Harrington. Some of the main features of

the bazaar will be the Candy table under the co-leadership of the Misses Cassidy, the Christmas Table, Mrs. Kinsman Wright; the food table, Mrs. Clark Bowhall; the fancy work table, Mrs. James Whan; the apron table, Mrs. James LaBrake; Parcel Post, Mrs. Paul McQuown; and treasures from India, with Mrs. Walter Read, wife of the new Rector of St. Philip's as the chairman. The public is cordially invited to attend this Christmas Sale.

Texas Foundation Gives Instruments To Clarkson Tech

The Texas Foundation of Dallas, Tex., has contributed 150 devices of 19 different types to Clarkson College of Technology. The gift is the second of the college has received from the Texas Instrument Foundation this year. Last February, Clarkson was given \$2,000 worth of transistor and semi-conductor devices by the Foundation.

Robert A. Wyant, a Clarkson associate professor of electrical engineering, has a special interest in these transactions since they are made possible, in part, through a friend with whom he worked at the Bell Telephone Laboratories before coming to Clarkson. That friend is Dr. Gordon Teal, a pioneer in the development of transistors and now vicepresident for research at Texas Instrument.

White Hill

Mrs. Margaret Lenney of Potsdam was at her camp recently.

Recent callers at the Christy home were Mr. and Mrs. Fred Tupper of Parishville, Mike Fitzgerald of Massena, Mrs. Millard Dorothy of Potsdam, and Mrs. Henry Sanderson of Ogdensburg.

Hepburn Awards Scholarships To Area Students

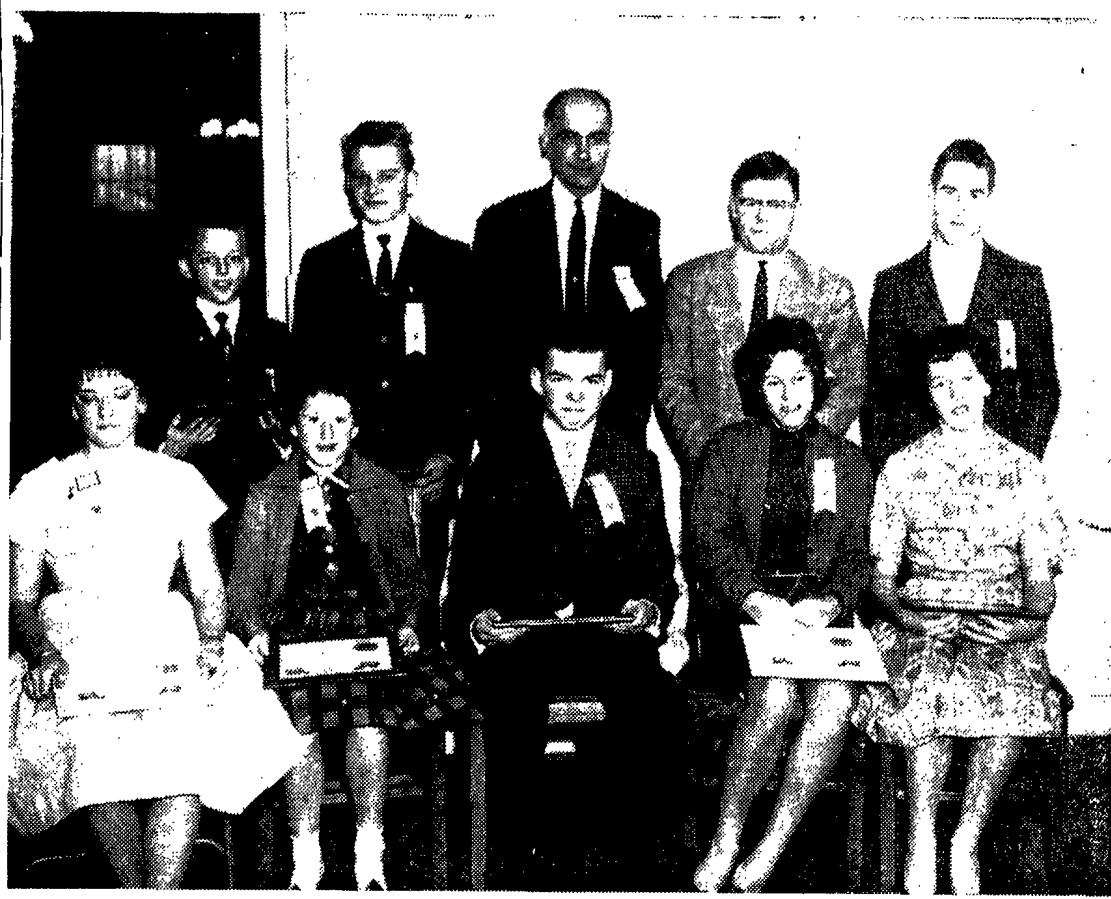

Student nurse scholarships awarded for September by the School of Nursing of A. Barton Hepburn Hospital at Ogdensburg include the following from this area: The A. Barton Hepburn Hospital Alumnae Association Scholarship to Arlene Groebler, Junior, of Parishville; George Hall Corporation Scholarship to Carol McElwain, Freshman, Norfolk; St. Lawrence County Women's Auxiliary Medical Association Scholarship to Carol McElwain, Freshman, Norfolk.

The following three year scholarships previously awarded and now in effect includes the Edson A. Martin Scholarships to Nancy Smith, Junior of South Colton and Joan Collier, Junior of Colton.

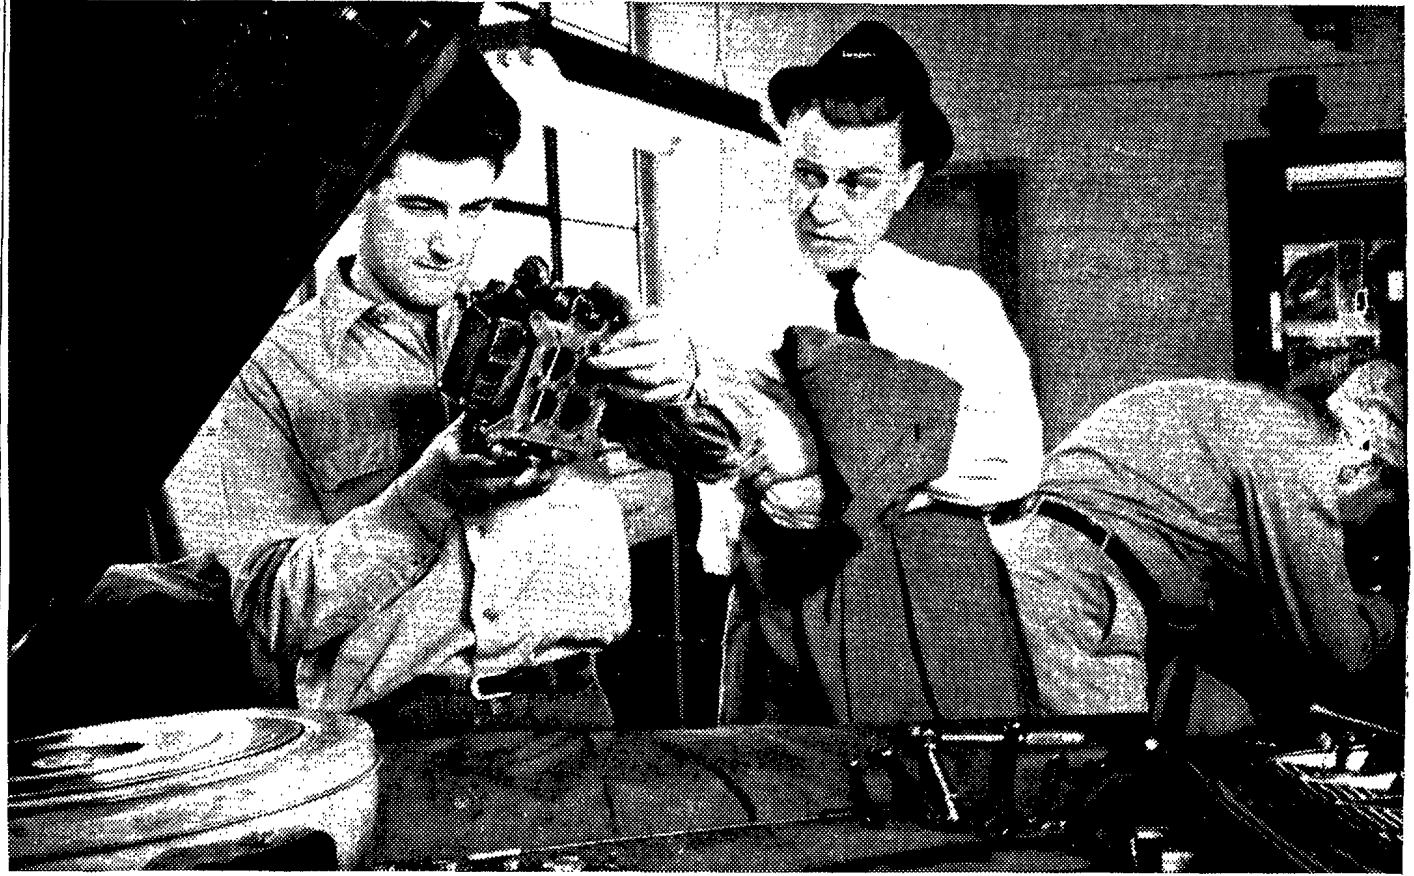

White Hill

Recent callers of Mr. and Mrs. Thurman Fountain were Mark LaFountain and son Roger of Potsdam, Homer Cassidy and son Paul of Norwood, Mr. and Mrs. George Ricky of Parishville and Mr. & Mrs. Tim Tyler and two daughters.

Thanksgiving guests of Mr. and Mrs. Harold Ellis and daughters, Sue, Nancy and Lynn, were Mr. and Mrs. Edgar Kelley, daughter, Sharon and son Alton, of Winthrop, Miss Annetta Bump and friend of Potsdam.

COUNTY CHAMPIONS — The first year County Champions announced at the State Jersey Meeting at Ogdensburg, Nov. 11 are shown above. The photo shows only the champions who were present. Seated (left to right) are Karen Adams, Chenango County; Rita Bell, Oswego County; Tom Fife, Margaret Fisher, St. Lawrence and Margaret Rich Delaware. Back row, Russell Maurer, Delaware County; Gordon Smith, Erie County; James Fisher, Madrid, first vice president of the State Association and Alan Clark, champion of Cayuga County. The state-wide meeting was held in Ogdensburg the first time the Jersey cattlemen have ever met in the North Country.

If gum were to get into your carburetor, it could lead to unexpected repairs like this. One of the nine ingredients in today's Super Shell fights gum to give you top performance.

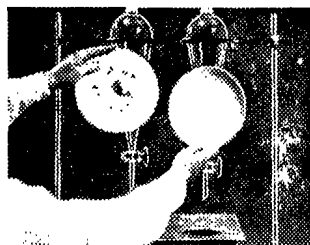

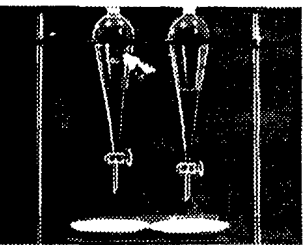

ANCIENT HISTORY:

Gasoline gum used to cause unexpected repair bills. Today, one of Super Shell's 9 ingredients fights off gum —to save you money and give you top performance.

The gum preventive in today's Super Shell is so powerful that one thousandth of an ounce is enough to treat a gallon. Read how this "chemical policeman" works.

THE MECHANIC in our photograph is about to go to work on a gummed-up carburetor. A nice little repair job.

But to Shell scientists, gummed-up carburetors are ancient history.

Drip test shows how well Shell gum prevention works. Container on left has raw, unprocessed gasoline without gum preventive; on right processed gasoline with Super Shell's gum preventive. Gasolines drip onto heated plates and evaporate, simulating long storage.

And so are other gum troubles. Such as sticky intake valves. And fouled automatic chokes. Here's why: 1. Shell uses refining processes that hold certain gum-forming gasoline components to a minimum.

- Shell guards all tanks, pipes, and trucks against dirt and other gum-forming contaminants.
- Shell includes a powerful gum preventive in Super Shell's nine-ingredient formula.

"Chemical cop" at work

The gum preventive in Super Shell is so effective that a thousandth of an ounce is enough to treat a whole gallon of gasoline.

This remarkable ingredient has been described as a "chemical policeman." It helps to keep unstable elements in gasoline from sticking together—the way a skilled policeman prevents trouble by keeping a crowd from forming.

Hot Weather Blend

For a quick run-down on the other eight ingredients in today's Super Shell, see box at right.

And for top performance all summer, keep your tank filled with Super Shell's Hot Weather Blend. It's specially formulated to fight engine flooding and other hot weather troubles. At Shell stations now.

Here are the 9 ingredients in Super Shell—and what they do to give your car top performance

- #1 is TCP*—for power, mileage, and longer plug life.
- #2 is Pentane mix—for fast warm-ups.
- #3 is anti-knock mix—for knock resistance.
- #4 is Alkylate to control "high-speed knock."
- #5 is Butane—for quick starts.
- #6 is "cat-cracked" gasoline—for power.
- #7 is an "anti-icer." Added when cold weather sets in.
- #8 is gum preventive—for clean carburetors.
- #9 is Platformate for extra mileage.

*Trademark for Shell's unique gum preventive. Gasoline containing TCP is covered by U.S. Patent 2,690,212.
