Psychologists Meet, Elect Stanley Bell

An organizational meeting for the St. Lawrence Psychological Association was held on Nov. 30, at the St. Lawrence County Mental Health Clinic in Potsdam.

The establishment of the association is a response to the increase in psychological services being provided in the Seaway Valley and the expected growth of these services in the area during the future.

Membership will be drawn from Canada as well as Northern New York and will include psychologists engaged in different areas of psychology.

The following officers were nominated and elected at the meeting of the new organization: President, Dr. Stanley Bell - Clinical Psychologist of the St. Lawrence County Mental Health Clinic, Potsdam; Vice President - Ronald Gruber - Professor of Psychology, The State University College, Potsdam; Secretary - Gerald A. Gallagher, School Psychologist, Board of Cooperative Services District No. 2, St. Lawrence County, Madrid; Treasurer - Norbart Markert, School Psychologist, Ogdensburg School System.

The meeting also established a tentative agenda concerning steps to be taken in the final organization of the association as well as programs to be offered at future meetings.

The next meeting of the association will be held at 8 p.m. on Monday, Jan. 8 in the downstairs lounge of the Student Union at the State University College. Jack Iverson, school psychologist, Clinton-Fine Central School, Star Lake, will present a discussion on "The Illinois Test of Psycholinguistic Ability", as the main program.
