

Undefeated Clarkson Icemen Trample Yale, Loyola

11 Men Score In Arena Rout

The Clarkson College hockey team rolled to their fifth straight triumph here Saturday night with a 17-1 victory over Loyola College of Montreal in the Clarkson Arena. Now the Golden Knights prepare for two of their toughest tests of the season against top-ranked Harvard tonight and R.P.L. Saturday on the road.

In Saturday's contest the powerful skaters of Coach Len Ceglarski fared a spirited but inexperienced Loyola team in the process of rebuilding. In the past the Canadian skaters have always provided stiff opposition for Clarkson, but this year the undefeated Green and Gold were just too strong for the Montreal crew. Clarkson tallied three times in the first period, and seven times in each of the remaining stanzas for the rout.

Eleven forwards scored for the Golden Knights, as Ceglarski gave all his skaters a chance to see plenty of action. Six men had double lamp-lighters as Clarkson scored its goals primarily in bunches throughout the evening. The sophomore line again led the scoring field, as Brian Wilkinson, Corby Adams, and Roger Purdie all had two goals and three assists apiece. Bob Taylor, playing on Clark's "fourth line," and Bob Chiarelli and Ron Lestan, had two goals and two assists, while Chiarelli had two goals and one assist. Frank Schmeler also tallied twice for the winners, while defenseman Pat Brophy had three assists.

Others who scored for Clarkson were Bert Halliwell, John Naismith, Arnie Lawlor, and Barry Wagner. The contest was a fast one from the start as Adams hit for the first score at 4:54 of the initial frame on a shot from in front of the cage. Loyola stormed back with Roy Lagault scoring at 7:01 with John O'Sullivan and Bob Hicks assisting. Loyola's defence continued strong for the first period, but Halliwell and Naismith both slipped pucks by goalie Guy Pallett.

The roof caved in on Loyola in the second frame as the Knights scored four times in four minutes to pull away. Schmeler, Lawlor, Wilkinson and Wagner did the damage. Chiarelli tallied at 13:20 for Clarkson, and soon after a scuffle broke out at the far end of the arena. This resulted in the ejection of one player from each squad from the contest and matched major-misconduct penalties, thus leaving both teams short on the ice for the rest of the period. Despite this, Tech's Hal Petersen combined

Clarkson lit the lamps four times in the opening frame, three times in the second period, and once in the final period. Pat Brophy, Tech's brilliant junior defenseman, scored twice and sophomore wing Brian Wilkinson also hit for a pair, and an assist. Junior center Arnie Lawlor had another excellent evening with a goal and two assists, as did sophomore center Corby Adams. Junior Bob Chiarelli and senior Captain

Jack Graves also tallied for the winners, while Roger Purdie, the third member of the Wilkinson-Adams line, had two assists. With Yale a man down, Brophy slipped in his first shot at 6:31 of the initial frame with Lawlor assisting. He came right back with the same play at 9:54 for his second lamp-light. John Naismith and Barry Wagner got credits for assists. Clarkson continued to roll as Wilkinson scored one of the prettiest goals of the night, taking the puck across the mouth of the cage, faking out Yale at 18:55, and Chiarelli followed at 19:29 with Lawlor assisting.

The undefeated Golden Knights skaters of Clarkson College did it again Friday night by whitewashing Yale 8-0 before an overflow crowd in the Clarkson Arena. It was Clarkson's fourth win in a row and the third shutout in four outings. Friday night the Green and Gold pucksters had things almost all to themselves as they continued to pile up goals, while keeping the opponent side clear of numerals. The forces of Coach Len Ceglarski have tallied 35 times in four games and have allowed only 2 goals against them. They have now gone seven periods without being scored upon. Last Friday the Knights shutout Michigan State 3-0. In the previous week they defeated Laval 11-2, and Laval tallied two in the second frame.
