

**Sanfordville News Notes**

**Area Methodist Youth Fellowships Plan Joint Meeting Sunday Night**

Sanfordville — The members of the West Stockholm Methodist Youth Fellowship of the Methodist Church are invited to unite with the Brasher Falls M.Y.F. at the Brasher Falls Methodist Church Sunday night, Jan. 27, 8 p.m.

Michael Edward Matthys, son of Mr. and Mrs. Clayton Matthys, Winterharbor, Me., received the ritual of Baptism at the West Stockholm Methodist Church Sunday morning administered by the pastor, the Rev. Wilbur Clark. The sponsors were the baby's uncle and aunt, Mr. and Mrs. Max Wilcox.

Mrs. Matthys and the former Miss Sharon Cyrus and Michael, have been visiting at the home of her parents, Mr. and Mrs. Gordon Cyrus, the past few weeks. Clayton Matthys and Lindon Workman, Winterharbor, Me., arrived Thursday, to spend a few days at the Cyrus home. They will return to Maine Friday, and Mrs. Matthys and Michael will still remain at the home of her parents for a while longer.

Several members of the Sanfordville Community Center attended the card party Saturday evening, which was held at the Community Center for members only.

Mr. and Mrs. Robert Moshier, South Colton, are the parents of a son born at the Potsdam Hospital, Monday morning, Jan. 21. Mr. and Mrs. Robert Moshier with their other son and daughter are staying at the home of Mrs. Moshier's uncle and aunt, Mr. and Mrs. Rollie Newtown, Sanfordville. Mrs. Moshier, the former Pauline Royce, was a former Sanfordville resident.

Mr. and Mrs. Frank Cyrus and family, Pleasant Valley Road, left Friday to make their home at Port Devins, Mass., where SP5 Cyrus is stationed.

Mr. and Mrs. Clarence Hicks received word that Mr. Hick's brother-in-law, John Peterson, Kent, O., died last week at his home in Kent. His wife was the former Florence Hicks from this area.

Mrs. Ruth Wilcox, Mrs. Mabel Bradish, Mrs. Susan Davis,

**State's Traffic Ticket Revised**

Albany—New York State's "Uniform Traffic Ticket" has been revised and will be put to use throughout the state, except in certain localities, shortly.

Commonly termed the "non-fix" ticket when it was first introduced in 1954, the new edition has been developed by the State Department of Motor Vehicles and incorporates suggestions made by magistrates and police officials.

Easier to use and more efficient to administer, the ticket is actually a packet which contains five carbonized pages, one of which is a simplified information for use in prosecuting moving traffic violations. It was made possible by action of the Legislature last Spring when the lawmakers amended the code of criminal procedure to permit the filing of a simple complaint.

Convenient Size  
The packet is 8 by 4 inches in size for convenience and most of the information in it will be written in by the arresting officer at the time of the arrest. The court clerk fills out the rest.

The first page of the five will be handed to the alleged violator by the officer. The second will be the complaint which is sent to the court. The third is the certificate of conviction which first goes to the court and then relayed by the court to the Department of Motor Vehicles if the violator is convicted of the charge.

The fourth page is a copy on which the court indicates the disposition of the case and transmits to the police agency, while the last copy is retained by the arresting officer.

More frequent traffic violations will be printed on the ticket with an appropriate box to be checked by the arresting officer. Other violations will be indicated by brief descriptions written out by the officer.

Delayed Start  
Use of the new ticket was designed for Oct. 1, 1962, but it was delayed when some minor changes became necessary. It now may be used at any time before next October and must be used after October 1, 1963.

Police Departments in Buffalo, Rochester, Syracuse, Yonkers and New York City as well as the Nassau County Department are not mandated to use the ticket. Other departments are expected to use it as soon as a supply is printed, or when their present supply of old-style tickets is exhausted.

**North Stockholm**

Claude Moulton with Lawrence Wagstaff Jr., Steven Hammill, Harry, James and Claudia Moulton, Linda Hartson and Jimmy Jenkins attended the regular meeting of the Young Cooperators of the Dairymen's League Cooperative Association, Inc., of St. Lawrence County which was held in the Hepburn Library Hall, Madrid, Thursday evening at which the activities of the coming year were planned.

**Nancy Shulman, Pattison Chosen For Summer Grants**

Miss Nancy Shulman, daughter of Mr. and Mrs. Herman Shulman, 93 Main St., and Russell Pattison, son of Mr. and Mrs. Earl Pattison, Route 1, Potsdam, both members of the Junior Class at Potsdam Central School, have been approved as candidates for the 1963 Telluride Association Summer Program.

The Telluride Association sponsors three summer programs—two at Cornell University, Ithaca, and one at Princeton University, New Jersey, for qualified students who have completed their Junior year.

The basis for qualification is high performance on the October 1962 Preliminary Scholastic Aptitude Test of the College Entrance Examination Board.

This summer program of studies is designed to familiarize students with college level standards in thought, organization, and expression. The two programs at Cornell University concern studies in Greek Civilization and Comparative Studies of English and American novels, while the program at Princeton University will concern the Bill of Rights.
