

Evelyn Riehl Writes

Sunday Rock — North And South

The Coltons — I have no official figures on the amount of snow that fell on our towns in the past week, but there certainly is evidence that it has fallen. Snowbanks along the roadsides as a result of Harold Regan's hard working crews are reaching respectable heights, and there seems to be very little room to pile it higher in our yards.

Visible in the village Sunday was one of the red flags placed atop a car's radio antenna — reason — not frivolous at all, a means of being seen when approaching an intersection! A good idea for us all if the snow continues.

Now would be a good time to thank all the fellows who work on our road crews. It's a hard, cold job they do for our safety and comfort.

Visiting her folks in Colton's Sally Gotham, 1962 graduate of Colton-Pierpont. She's a telephone operator in Rochester.

Having passed the company training program with flying colors, Sally is a real credit to our community.

Coming from behind, after a slow start, our Colton hoopsters took a game from Edwards Friday night by a score of 70-58.

Coach Murphy's boys are working hard to keep alive their hopes of a spot in the playoffs at the close of the regular season. Their record is 4 wins-3 losses which puts them in third place behind Clifton-Fine and Knox-Memorial of Russell.

Tomorrow will find Colton taking a second try at the boys from Clifton-Fine on their home court.

As a result of the generosity of many Colton graduating Seniors in the past there will be a lovely gift installed in the school auditorium — a double console Baldwin Organ.

Michael Corbitt announced

Pneumonia Kills Ervin J. Farmer

Funeral services for Ervin J. Farmer, 40, a former resident of Potsdam, were held Sunday at 2 p. m. from the Garner Funeral Home with the Rev. William Caldwell, pastor of the First Methodist Church, officiating.

Mr. Farmer died last Friday in Mercy General Hospital, Tupper Lake, from pneumonia after an illness of about one day.

He had been making his home with a sister in Tupper Lake. His two teenage daughters had also lived there.

Born in Tupper Lake on Nov. 8, 1922 he was the son of Ervin and Lena Arquette Farmer. He moved to Potsdam in his early life and attended local schools.

He married the former Dorothy Buck of Canton and the couple lived in Potsdam until their separation and divorce many years ago.

For a time he was an active musician and leader of a local band. He was also a member of the First Methodist Church.

Surviving are two daughters, Miss Linda and Miss Sandra Amo, Tupper Lake; four sisters, Mrs. Wilbur (Pearl) Lamica, Tupper Lake, Mrs. William (Orla) Ulrich, Potsdam, Mrs. Edward (Reitha) Gonyea, Potsdam, and Mrs. Arthur (Arlene) Shutte of Poughkeepsie; also two brothers, Wilfred Farmer, Potsdam and Alton Farmer, Plattsburgh.

William W. Losey Completes Training

Army Specialist Five William W. Losey, 29, son of Mr. and Mrs. Wallace A. Losey, Rte. 2, Winthrop, recently completed a short-notice missile-firing practice with other members of the 71st Artillery's 4th Missile Battalion at McGregor Range, Fort Bliss, Tex.

Specialist Losey's unit, armed with the Nike-Hercules missile, is regularly stationed at Old Bridge, N. J.

Losey entered the Army in 1956 and is a senior fire control operator in the battalion's Battery A.

He attended Massena Central High School. His wife, Dolores, lives in Englishtown, N. J.

this week that money had been accumulating for some years for a worthy addition to the school's equipment, and this fine instrument was chosen. A plaque bearing the class years of the donors will be mounted with the organ.

A fine tribute to the young people graduating from Colton-Pierpont Central School.

The shortness of this week's column invites telephone calls to CO 7-7450 with news of Sunday Rock — North and South.

Albert Martin Gets Promotion At Clarkson

The promotion of Albert R. Martin from instructor to assistant professor of electrical engineering at Clarkson College has been announced by Lowell W. Herron, acting president of Clarkson. The promotion became effective on Jan. 30.

Professor Martin recently completed the requirements for a master of electrical engineering degree which he will receive from Clarkson in June. He has done his graduate work while serving as an instructor since 1958.

He attended Franklin Academy at Malone and graduated from Clearwater (Fla.) High School in 1949. After four years in the Air Force, he attended Indiana Technical College at Fort Wayne, Ind., where he received a bachelor of science degree in February, 1957. He remained at his alma mater as an instructor in electronic engineering and as a resident counselor until 1958.

Professor Martin is a member of the Institute of Radio Engineers, American Society for Engineering Education, Eta Kappa Nu, electrical engineering honorary; and Phi Delta, social fraternity. He currently is chairman of the Clarkson branch of ASEE and faculty advisor to Phi Delta.

He married the former Mary Lee Osborne of Ft. Wayne, Ind. The couple and their daughter, Cindy, live at Apt. 1, Continental Arms, Potsdam.

Robert Shelly Returns From Caribbean Duty

Robert F. Shelly, aviation electronics technician third class, USN, son of Mr. and Mrs. F. F. Shelly of 5 Castle Drive, recently returned to the Naval Air Station, Jacksonville, Fla., after serving with Patrol Squadron Five during the United States quarantine forces in the Caribbean.

The squadron conducted surveillance over the Caribbean waters during the quarantine, flying Neptune aircraft from four different air stations. The squadron made the first contact of the quarantine when she photographed the first ship stopped during the quarantine.
