PHS Pucksters Down Alex Bay

With only one loss to their credit on the season, the league-leading Potsdam High hockey forces will attempt to add to their victims this weekend at the Lake Placid Tournament when they meet Clinton High at 7 p.m. Friday night. Clinton is said to have a good team, and should provide stiff competition for the local skaters.

Also playing in the Lake Placid event will be Norwood-Norfolk, Massena, Lake Placid, and Canton high school teams. The finals will be held Saturday evening before the regular Lake Placid Roomers game in the professional circuit.

After a break for exams, the lads of Coach Tom Sheppard ripped through the Northern League Class "B" leaders, Alexandria Bay, 5-1, in a contest at the local arena Tuesday night. After a scoreless first period, the Purple Ghosts only marker came in the third frame.

The sophomore line of John Snyder, Bill Putnam, and Robbie Wagner proved to be the big guns again Tuesday, as they scored two goals, and assisted in a third. Defenseman Tony Rishe broke the scoring ice in the second stanza with a shot from the blue line, taking a pass from team captain Mike Smith. Snyder added to the Potsdam score minutes later with assists from linemate Wagner and defenseman Al Lindsey. Putnam and Wagner then set-up Tom Long for his tally of the night still in the second period.

Alex Bay scored its lone lamp-lighter at the beginning of the third frame with George Hebert getting the goal assisted by Stan Parker. Putnam scored from Snyder for Potsdam in that frame, and the loobys ended the barrage with Bobby Krebs hitting the vines with an assist by Jim Calnan and Dave Williams. Potsdam's goalie, Bill Martin had 12 saves, while Ron Hax of the Bay had 10.

The Clarkson Tech basketball team begins the second half of a 2-8 record as they face St. Lawrence at Canton the night before coming here. LeMoynes lost number six last week when it fell to St. Michaels 74-56. The Dolphins' season record will be 6-6 as they meet powerful St. Francis of Brooklyn on Feb. 2. So far this winter Coach Tom Niland's five have won five of their six games at home, but have managed only one victory in six outings on the road.

Clarkson lost to both Rochester and LeMoynes last year. The Yellowjackets had a 96-49 win, while the Dolphins garnered an 80-65 victory.
