CHRISTIAN SCIENCE SUBJECT IS "LIFE"
The Apostle Luke's inspiring account of the raising of the widow's son from the dead will be heard at Christian Science services Sunday. Subject of the Lesson-Sermon is "Life."
The Golden Text is from Matthew (4:4): "It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God."
Passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this selection (p.547): "The Scriptures are very sacred. Our aim must be to have them understood spiritually, for only by this understanding can truth be gained." And continuing on the same page: "It is this spiritual perception of Scripture, which lifts humanity out of disease and death and inspires faith."
